

My thanks to Show team and Committee for the invitation, it's over a decade since Kit and I have been to Ireland and we were lucky enough to be able to take some extra days to enjoy ourselves and visit Dublin.

SECTION 1

Exotic Sh Tabby or Tabby & White Adult

B.O.B. to Harte's HibGrCh Int CH MOLLYCODDLE HEARTBREAKER (exo N 03 22 M 02/08/15)

Passed the kiss test with flying colours, a gentle old soul having a slightly bad hair day.

SECTION 4

Hibernian Grand Champion

1. HGC HOWARD'S GrCh&Int Ch COCO WAVE CULT (CRX n 03, M, 18/10/2021)

Black & White Bi-Colour Cornish Rex. A super natured boy who was easy to handle, medium wedge with cheekbones that narrows to rounded muzzle, the length is a fraction short, oval shaped eyes with slight slant to outer edge of ear, these are large with width to base and high set. Good profile with flat skull curving brow and straight line to tip of nose, level bite and strong chin. A large muscular body with long straight legs with neat oval paws. Short dense coat with silky texture with well formed ripples and waves it is sadly a little grubby in his white patched, Long fine tapering tail.

Hibernian Grand Premier

1. HGP MACKENZIE'S GrPr DADDYO TALKIE TOASTER (DRX b, MN, 14/09/2021)

Chocolate Devon Rex. A real softie who was a delight to handle. Short wedge with width to eye level, these are green in colour generally oval just a little round to inner edge and sloping to outer edge, rounded brow with flat plane to skull, large ears set wide apart with tufts to tips. Short nose with more definition needed to stop, medium muzzle with whisker break being a little indistinct, level chin slightly untidy bite. A medium sized weighty boy with well shaped legs and paws. Plush wavy coat covers all of his body, medium length tail covered with short fur.

Grand 4B Champion Male

1. GC O'CONCHOBHAIR & WOOD'S Int Ch CHEREK NUTJEST ANY JINJANUT (DRX d, M, 27/09/2020)

Red Devon Rex. Red is just my favourite colour and I could so easily have kidnapped this boy. Short broad wedge with high cheek bones, large wide set eyes, slightly round to the inner edge but oval to outer edge and sloping towards his ears. Large ears with fairly low set and width to base plus cute tufts to tips, short nose with visible stop that could have been a little deeper. Well defined whisker break with half whiskers, level bite and strong chin. Lovely size and muscle to his body with slender neck, broad chest and slim legs with neat small paws. Short coat that covers all of his body and shows waves and ripples to back and sides and down legs. Long tapering tail well covered with fractionally long fur.

Grand 4B Champion Female

1. GC O'CONCHOBHAIR & WOOD'S Int Ch DADDYO DEPTH CHARGE ETHEL (DRX a, F, 24/10/2016)

Blue Devon Rex. A mature lady in lovely condition with a super temperament, short broad wedge with high cheek bones, large eyes wide set, oval in shape and sloping towards edges of ears. These are large with width to base but she held them a little high. Short nose with slight stop, strong muzzle, well defined whisker break, level bite and firm chin. Medium length body with a slender neck, broad chest, firm muscle tone, slim legs with neat oval paws. Short soft coat with waves and crimps, long tapering tail well covered with short fur.

Cornish Rex Adult

B.O.B. TO HOWARD'S GrCh&Int Ch COCO WAVE CULT (CRX n 03, M, 18/10/2021)

1. C. C HOWARD'S IREMOOFO SHES THE FIRST WAVE (CRX f 03, F, 27/05/2023)

Tortie & White Bi-Colour. Not having a good day, she was not keen to come out and play so it was a very quick assessment. Narrow wedge with high cheeks bones the length is a little short, expressive oval shaped eyes, flat skull with curve to brow and straight line to tip of nose, rounded muzzle and good chin. Large ears with high set tapering to a rounded tip. Not a large girl, in the quick feel I did have her body was hard and muscular with long longs and small oval paws. Short coat with some curls, long thin tail.

Devon Rex Adult

B.O.B. O'CONCHOBHAIR & WOOD'S Int Ch CHEREK NUTJEST ANY JINJANUT (DRX d, M, 27/09/2020)

1.C.C O'CONCHOBHAIR & WOOD'S DADDYO JANDSOME JULIO (DRX n 03, M, 17/06/2023)

Black & White Bi-Colour. This boy was friendly at first then became a little feisty, short wedge with nice high cheek bones, rounded brow curving back to flat skull between large ears with width to the base and tufts to the tips. Oval shaped eyes sloping to outer edge, slightly long nose with only a slight dip rather than a stop, fair definition to whisker break with cute short chewed whiskers, level bite and fair chin. Good size to body with slender neck and solid muscular feel, short soft coat covers all of his body, long tapering tail with wavy fur.

Sphynx Adult Male

1.C.C. B.O.B. KORNTAT'S GAUDI EMANCYPACJA (SPH n 32, M, 07/04/2021)

Seal Pointed. This boy showed himself well and loved to be cuddled. Head is a modified wedge with prominent cheek bones which is slightly longer than wide. Rounding to brow and flat skull between large ears with width to base tapering to tip, set at slight angle with outer base level with corner of the eye. Large lemon shaped eyes, straight nose with very slight break to bridge, strong rounded muzzle with well defined whisker break and prominent whisker pads, level bite and strong chin. Medium length body with good muscle to broad chest and rump held on sturdy legs with cute oval paws and long slender toes, very fine down covers his body it is slightly thicker to his nose and back of his ears plus his very fine manly medals, long tapering tail with stubbly feel to down that covers it.

2 SIPAILIENE'S SKINDEX GRANT (SPH d, M, 17/08/2022)

Red. A real poppet who was very nervous all he wanted to do was to hide under his blanket, his head is a modified wedge with prominent cheek bones, it is possibly a little short, rounding to brow and flat skull between large ears with width to base tapering to tip set at slight angle. Large lemon shaped eyes which appeared more round than slanted, straight nose with very slight break to bridge, rounded muzzle with defined whisker break and prominent whisker pads, level bite and strong chin. Medium length body with good muscle to broad chest and rump held on sturdy legs with cute oval paws and long slender toes. A very fine down covers his body it is slightly thicker to his nose, back of his ears and long tapering tail.

Sphynx Adult Female

1.C.C KORNAT'S JAMAICA JURO (SPH f 09, F, 22/05/2022)

Tortie & White. A friendly girl who clear likes her food. Modified wedge with nicely rounded contours slightly longer than wide with prominent cheek bones, good definition to whisker break, level bite and firm chin. Gentle rounding to skull with flat plane between large ears with width to base and rounded to tip, large lemon shaped eyes with side slant towards ears, she wasn't keen on opening her right one perhaps it was a little sore, straight nose with slight break to bridge. Medium sized girl with a well filled body with good muscle, held on medium length sturdy legs with lovely long slender toes to feet. A very fine down covers her body it is slightly thicker to her ears and nose, long slender tail heavier to base and tapering to a rounded tip.

2 GLEESON'S IRENOVFO WESTA (SPH n 33, F, 23/05/2021)

Seal Pointed. Modified wedge with nicely rounded contours slightly longer than wide with prominent cheek bones, good definition to whisker breaks, level bite and firm chin. Gentle rounding to skull with flat plane between large ears with width to base and rounded to tip, lemon shaped eyes with side slant towards ears, straight nose with only very slight dip to bridge. Long slender body good muscle tone, medium length sturdy legs with lovely long slender toes to feet. A very fine down covers her body it is slightly thicker to her ears which had tufts to the edge plus spreading slight up hers nose onto her forehead, long slender tail heavier to base and tapering to a rounded tip

Sphynx Kitten

1 B.O.B. KORNAT'S MAOL CAMPIRINA (SPH a, F, 17/07/2023)

Blue. A sweet girl a good size for her age very much a live wire but easy to handle. Modified wedge shaped head with prominent cheek bones, rounding to brow and flat skull with lots of wrinkles between large wide based ears tapering to tip set at slight angle. Lemon shaped eyes, straight nose with light break to bridge, rounded muzzle with well defined whisker break and prominent whisker pads, level bite and firm chin. Elegant muscular body with good muscle to chest and rump, she had some slight scratches to her neck, sturdy legs with cute oval paws and long slender toes. A very fine down covers her body it is slightly thicker to bridge of her nose and back of her ears, long tapering tail with slightly thicker down.

Sphynx Neuter

1. P.C. B.O.B HARTE'S DESHAMBILLES KITTY GALORE (SPH a, FN, 18/05/23)

Blue & White Bi-Colour. A sweet girl who was very nervous and trembled all the time she just wanted to snuggle into her blanket. Narrow modified wedge shaped head with prominent cheek bones, rounding to brow and flat skull between large wide based ears tapering to tip, due to her nervousness the set was distorted. Large expressive lemon shaped eyes, straight nose with very slight break to bridge, rounded muzzle with well defined whisker break and prominent whisker pads, level bite and firm chin. Elegant muscular body with good muscle to chest and rump held on sturdy legs with cute oval paws and long slender toes. A very fine down covers her body it is slightly thicker to bridge of her nose, long tapering tail.

HP Section

**Non-pedigree pet Longhair/Semi Longhair
Self with or without White.**

1. B.O.C Mcaleese's Ducky, (NPL n) MN 19/04/17

Black Longhair. A real sweetie a little over awed with everything that was going on he just wanted to try to hide under his blanket.

**Non-Pedigree Pet Shorthair.
Self with or without White Male.**

1. Daly's CHUCKY (NPS n) MN 19/12/21

Black and White Shorthair. Carefully watched everything that was going on from the back of his pen, I loved his cute facial markings.

Self with or without Female.

1. B.O.C Daly's ZELDA (NPS n) FN 19/12/21

Black Shorthair. A confident girl in lovely condition.

Tabby or Tabby & White.

1. B.O.C Weldon's YANKEL (NPS n 22) MN 01/02/22

Brown Classic Tabby. Totally gorgeous is the only way to describe this large gentle boy, he went on to be overall B.I.S. well done.

Ginger Tabby, Tortie or Tortie Tabby.

1. B.O.C Carroll's TAIGA (NPS f) FN 10/04/23

Tortie Shorthair. Not a sign of a Tortie temperament, a sweet girl with some lovely vibrant colours.

Non-Pedigree Pet Shorthair Kitten.

1. B.O.C. French's TARTLE (NPS n 23) FN 16/10/23

Brown Mackerel Tabby. Super pattern on this girl, she loved looking at everything that was going on around her.

**Pedigree Pet Shorthair.
Self with or without White.**

1. B.O.B. French's BALOO (PPS a) MN 08/07/23

Blue Shorthair. Super silky coat and very pretty face, he clearly enjoys his food and is filling out to his body.

Any other Colour or Pattern

1. B.O.C. Shackleton's MONTY (PPS N 31) MN 08/07/23

Brown Burmese Pointed. Slightly grumbly nature with a super shiny coat and more balanced body than the Blue boy.

2. Harte's GILLIAN (PPS F 33) FN 01/03/21

Synx. A shy girl wearing a very pretty knitted dress to keep her warm.
