

2025 DUBLIN CHAMPIONSHIP CAT CHOW  
SIAMESE & ALL BREEDS CC OF IRELAND  
13<sup>TH</sup> APRIL 2025  
MRS SANDRA MOORE

My thanks to Gloria and Carmel the show managers for the invitation to judge in Dublin, the warm hospitality afforded me and the gift. I had the services of Annette Howard as my very capable steward we had a good day together she was great company through our busy day. A special thank you to the exhibitors I enjoyed judging your cats.

SECTION 3 HIBERNIAN GRAND CHAMPION class G190

HIBERNIAN TO – KISIELIENES GRCH GARFIELD OF GERRULIS\*LT (BSH b) M (25.05.2017) Handsome male almost eight years old, no doubting he is fully mature, I like his solid and robust body he has the type size and substance so good to see in a male with an easy going nature too. Strong wide head, nice well shaped ears, facially his head is very round and full with apple cheeks and strong jowls, short broad and straight nose, round pale gold eyes, chin and bite both good. Super coat quality short and dense, with a degree of crispness, breaking on movement to show a good sound warm chocolate right to the roots, very nice temperament and condition.

RES. KEHOES GRCH OSCAR SAMANTE-BOHEMIA (BSH c) M (17.04.2022)

Charming Lilac boy just coming up to three years of age with pleasing rounded contours to his masculine head on a short thick neck, body is large and muscular of very good weight and substance with well boned short strong legs ending in well shaped paws, his tail is proportionate and has a taper to the rounded tip. Small ears sit wide apart and have a slight forward tilt, well opened orange eyes, cheeks look quite full with good rounding to his muzzle, chin could do with a little more depth for perfection. Lilac coat a touch cold in tone but of good density and well presented.

Also entered

KISIELIENES GRCH JUST ENJOY NAVAHO (BSH a) M (26.11.2020) Friendly Blue boy.

SECTION 3 HIBERNIAN GRAND PREMIER class G261

HIBERNIAN TO – WRENS CH & SUP GRPR DELPHINIUM SUMMER MORNING (BSH ns 22) FN (10.07.2020) Black Silver Classic Tabby sweet girl of 4 years nine months, showing a good classic pattern with no brindling or tarnishing rich black markings on a medium silver ground, all the detail is well defined with lovely clear facials, an 'M' on her forehead spectacles frame her super

green eyes, with divine spotted whisker pads, necklaces to her chest and bars on the legs, fair shaped butterfly and almost matching oysters, a medium length tail with several rings. Good British type with a firm muscular body, lovely girl shown in first class condition, who is a credit to her owner.

GRAND 3A CHAMPION MALE class G191M

GRAND TO – RICHARDSONS CH C-ZUES ML (BSH b 33) M (12.12.2022)

Chocolate Colourpointed boy of just over two years, the first thing I noticed about this very striking boy was his quality, short thick and crisp textured coat with some resilience to the touch, pale ivory in tone, giving excellent contrasts to warm chocolate points on his mask ears legs and tail. Apple shaped head with neat ears fitting into the contours very nicely indeed, with crystal blue eyes just full of expression, short broad and straight nose, bite is level and chin quite firm with cheeks plumping up as he matures. This boy is a real heavyweight muscular solid with substance to his limbs and a proportionate tail, Mr Handsome with a capital H!!

RES. LOCKYERS CH MAYAEMPIRE NICHOLAS WHITE (BSH ns) M (17.04.2022)

Black Tipped another super male and unlucky to come up against the winner today as he truly has many qualities almost three years of age, he has matured into a very nice looking example of the breed. Body medium sized and compact showing good balance with a well matched tail thick at base with a slight taper to the rounded tip, short strong legs ending in shapely paws. Rounded head with neat ears set well apart, super green eyes, short broad nose with a brick leather both lightly outlined in black, good width to his cheeks with a level bite and firm chin. Crisp feel to a dense silvery white coat evenly tipped with black, lovely boy.

GRAND 3A CHAMPION FEMALE class G191F

GRAND TO – KEHOES CH FEDERICA OF LAST HOPE (BSH a) F (04.09.2022)

Feminine Blue girl really gentle natured and appealing lass of just over two and a half years she has nice balance between head and body with a proportionate tail. Round skull of good width and depth, ears are medium in size and well shaped set quite wide and fitting into the overall contours of her head very nicely, well opened expressive orange eyes, short broad and straight nose, she has good width across the muzzle a firm chin and level bite. Her body is well boned cobby and quite sturdy, tail is thick at base tapering slightly to the rounded tip. Short medium blue coat with some firmness to the touch, handled well.

GRAND 3B CHAMPION class G223

GRAND TO – PAULAUSKIENES INT CH JUDITA'S BRITISH APOLLO (BLH ny 12) M (28.05.2022) Golden Tipped male now almost three years of age, and looking quite stunning in full coat which had been prepared to the highest standard. Excellent round well developed head with a body of good weight and generous proportions, cobby in shape balanced and coupled up to a short thick neck, a deep chest and straight back which leads on to a very well furnished tail, strong short legs ending in sizable black tufted paws. Good breadth of skull with neat wide spaced ears, super green eyes, round face plus his plump cheeks and strong muzzle are complimented by a deep chin bite is level. His crowning glory is his coat a true golden colour with quite even tipping the spine line is a little heavier which continues down the tail to a black tip, black to hocks, a full ruff and breeches just finish him off nicely.

GRAND 3A PREMIER class G262

GRAND TO – IQBALS PR AMBERKISS OPAL (BSH c) FN (04.05.2023) Lilac girl just coming up to two years, nicely balanced in all departments of very good weight, with an appealing facial expression, showing a well formed head smooth over the brow line with good width between neat round tipped ears, clear golden eyes large and well opened, her broad nose is short and straight in profile it shows a gentle break with good rounding behind her whisker pads and muzzle, tidy bite. Compact body with a short level back, ample boning to her limbs, tail matches the body for length is thick at base and has a rounded tip. Her lilac coat looks to be going through a seasonal change but there is a definite pinky tone and has been well presented.

CHINCHILLA/BLUE CHINCHILLA/shaded silver/blue shaded silver Persian class G20

CC TO - WAITES SUA MAESTA LOUIE (ns 11 64) M (29.03.2023) Shaded boy of just over two years what a wriggler not really that happy to be handled, to be honest he could be larger for a male of his age but he is a good weight with a long fine silky coat. Smooth well rounded skull with ears spaced quite wide, short broad nose with a brick leather, very nice green eyes, fair chin. Cobby body with a long flowing coat with a long frill framing his head, with strong tipping creating a shaded pattern.

AOC SELF COLOURPOINT PERSIAN (incl Blue) ADLUT class G29

CC TO – CAUGHEYS HINCHKITZ MIDDLEMIST RED (PER d 33) F (20.05.2023) Red Colourpoint girl of almost two years, she is on the dainty side and could certainly do with much more substance as she is very light in weight, she has a long pale coat with red points to mask ears legs and tail. Round head with

nicely feathered ears, large well opened blue eyes, fairly short nose, chin quite firm. Her coat is pale with a hint of points colour toning over her back, but giving very good contrasts, lovely temperament.

BLUE PERSIAN NEUTER class G86

PC TO – HARTES DAISYDAISYCATS DAY DREAMER (PER a) MN (27.05.2022)

Charming Blue boy shortly coming up to three years of age, with a pleasant gentle nature, a little more time and attention to his grooming, would have made a difference to his coat which is a good length a little woolly and a darkish blue in tone. Well developed body with a broad chest firm legs well furnished tail. Round head with wide spaced ears, short broad nose, orange eyes the left had become quite sore on the day, handled well.

BRITISH BLACK ADULT class G194

CC TO – KIRNAJAS FURRYBLISSLOVE ARIA (BSH n) F (07.01.2023) Sweet girl two years three months of age a bit nervy out of her comfort zone but to be fair I did manage to see her out of the pen for a short while. Head is nicely balanced and ears are set far apart of good shape and forward tilt helping to give her a fully rounded appearance, eyes on this girl are two tone gold, short straight nose with a shiny black leather, decent fullness to her cheeks and chin shows strength. Compact and quite solid of substantial weight she stands low on firm legs, her tail is proportionate to the body thick at base tapering to a rounded tip. Good density to her black coat showing some paling at the roots, well presented.

BRITISH CHOCOLATE ADULT class G195

BOB TO – KISIELIENES GRCH GARFIELD OF GERULIS\*LT see above.

BRITISH LILAC ADULT MALE class G197M

For bob only

BOB TO – KEHOES GRCH OSCAR SAMANTE-BOHEMIA see above.

BRITISH LILAC ADULT FEMALE class G197F

CC TO – KISIELIENES AMBERKISS XENNA (BSH c) F (26.05.2024) Real cute female just making it into the adult classes as she is just ten and a half months with a super outgoing personality. Nice British type with an apple round head developing good width between her ears which are well shaped are just a tad open at base but fitting in reasonably well to her head contours, orange eyes, short and broad nose, muzzle developing chin a little weak level bite. Cobby

and quite sturdy for such a youngster, her short coat is slightly dark in tone with springy density and firmness to the touch, well presented and nice to handle.

BRITISH BLUE ADULT MALE class G199M

CC & BOB TO – STEELE/HILLS GOTHAM PAY PER VIEW (BSH a) M (08.07.2021)

This boy of three years nine months is shown in tip top condition of substantial underlying bone structure an extremely heavy lad with a large round head on a short thick neck connecting up to a large cobby body, medium length tail.

Super round deep orange eyes they are quite mesmerizing, short broad nose showing a gentle break in profile, very full face with wide full cheeks and fully formed jowls, deep chin and ample muzzle. Quality short coat, of medium blue thick in texture with a crisp finish, I have written in my book 'wow' and he is!!

2<sup>ND</sup> KISIELIENES AMBERKISS TEDDY (BSH a) M (18.03.2023) Charming male just over two years of age of very good overall type, there is a lot to like about him,. Four square Solid and substantial body he stands low on short strong legs with rounded and firm paws, with a thick round tipped tail. Broad and rounded skull having neat well shaped ears set quite wide apart, clear bright orange eyes large and well opened, short straight nose of good width firm deep chin, with width and strength to his muzzle, level bite. Coat is a good texture and has reasonable density feeling quite crisp along his back, nice boy.

Entered for bob only

KISIELIENES GRCH JUST ENJOY NAVAHO see above.

BRITISH BLUE ADULT FEMALE class G199F

CC TO – KISIELIENES AMBERKISS WILMA (BSH a) F (25.05.2024) Attractive

youngster just on ten and a half months she is looking a little immature at present but all in all she has the requirements for the certificate. Lovely type head nicely rounded with cheeks developing well, good muzzle firm chin and level bite, medium round tipped ears a little open but sitting quite well apart, orange eyes in a pleasing setting, nose looks good in profile the tip lines up with her chin, level bite. Short blue coat with a crisp texture, and good density, a tad unsound at roots with a little silvering on her head, sweet girl.

Entered for bob only

KEHOES CH FEDERICA OF LAST HOPE see above.

BRITISH BLUE/LILAC/FAWN TORTIE & WHITE ADULT class G208

CC & BOB TO – STEELES SHEEPHOUSE COLOUR ME FANCY (BSH r 03) F

(02.03.2024) Fawn Tortie & White A darling little girl just on thirteen months

with an easy going temperament, very pretty and quite striking. Very nice overall type with a well shaped head and cheeks filling out to give nice facial balance, neat ears of good shape and having a slight forward tilt, her eyes are well opened and show a good depth of orange, firm chin and bite. Well patched coat of warm rosy mushroom, cream with sparkling white she has a white blaze to her face and white to chest and collar with white to her tummy and legs, tail is fully coloured with both colours to face and ears over the back and a patch of colour on at least two of the legs, superb.

BRITISH TIPPED ADULT MALE class G217M

CC TO – KIRNAJAS IREMOOBR ARON (BSH ns 12) M (08.05.2023) Black Tipped boy of almost two years, overall of pleasing type he feels strong well boned quite hefty and muscular with plenty of bodyweight. Broad and substantial head with well shaped ears set well apart, big round expressive eyes very good shade of green, profile shows a short broad and straight nose with a gentle break at the bridge, brow looks a little heavy, muzzle has width and chin firm level bite. Coat is short and firm in texture and of reasonable density the tipping is heavy but is quite even, nice natured boy who was a pleasure to judge.

Entered for bob only

BOB TO - LOCKYERS CH MAYAEMPIRE NICHOLAS WHITE see above.

BRITISH TIPPED ADULT FEMALE class G217F

CC TO – LOCKYERS IRENANBR SILVERY GODDESS (BSH ns 12) F (15.04.2024) Attractive female just on the year but nicely developed with a compact build of good proportions short firm legs with neat paws, and a balanced tail with a rounded tip, Head has breadth, round tipped ears set well apart and are a pleasing shape, lovely green eyes full and round and so expressive, in profile the forehead shows gentle rounding, with nose having a slight break, wide full muzzle good chin and level bite. Shapely body of good size weight and condition. Pale silvery white undercoat is lightly and evenly tipped with black giving a really excellent effect, handled very well.

2<sup>ND</sup> KIRNAJA IREMOOBR ALMA (BSH ns 12) F (08.05.2023) Black Tipped almost two years of age, sweet natured girl of good substance with short well boned limbs tail matches the body for length is thick at base and tapers to a rounded tip, fairly nice type, head is reasonably broad her ears are medium in size and have a pleasing shape with a forward tilt, eyes are pale green, nose is short and reasonably broad, muzzle needs more width and chin a little narrow bite looks good. Coat is short and has density, showing very heavy tipping, especially along the spine line. Nice temperament and condition.

BRITISH COLOURPOINTED (inc Cinnamon/Fawn ADULT class G218

CC TO – KIRNAJAS FURRYBLISSLOVE AMARUS (BSH ny 12 33) M (24.03.2024)

Seal Golden Tipped Colourpointed boy just on a year in age very nice looking with a wealth of good features, very well developed, muscular strong and of good weight and in super overall condition, with proportionate limbs and good length tail. Rounded head with nicely set ears, short broad and straight nose, my only concern is he is rather short when viewed in profile, super bright blue eyes, very good full muzzle and chin, bite level. Short dense and quite crisp coat showing a pleasing shade of apricot with darker tipping heavier on his mask ears and tail lighter on the legs giving some contrasts, very nice cat.

Entered for bob only

BOB TO – RICHARDSONS CH C-ZEUS ML see above.

BRITISH GOLDEN TIPPED ADULT MALE class G220M

CC TO – KIRNAJAS FURRYBLISSLOVE ARSEN (BSH ny 12) M (24.04.2024)

Handsome youngster just coming up to his first birthday and already he shows much maturity and development for his tender age, with a good British look about him, good head shape that support medium sized ears that he tends to hold a bit upright, bright round green eyes in a good setting, cheeks are gaining the fullness required to give him a well rounded facial balance and width to lower face good muzzle chin and bite. Body muscling up nicely, of good weight with balanced tail. Coat has good density the base is warm apricot which cover his tummy area with rather strong black tipping over his head body and tail, which gives a darker appearance, well presented.

2<sup>ND</sup> COSMAS HAPPY WHISKERS RAMIS (BSH ay 12) M (01.06.2023) Blue Golden Tipped of almost two years, a nice boy of good overall type and body conformity. Head rounded with well shaped ears set well apart and fitting in nicely to his head contours, his eyes are round and full an interesting blue/green, in profile his forehead shows gentle rounding leading to a straight nose with a gentle break, his cheeks look well filled, nice tidy bite with incisors meeting perfectly. Cobby body with short strong legs and a balanced tail thick at base tapering to a rounded tip. Coat Has density and firmness to the touch with bluish fawn ground colour which is sound to the roots, the blue tipping to the ends of the hair is rather uneven and looks altered. Handled really well.

BRITISH GOLDEN TIPPED ADULT FEMALE class G220F

CC & BOB TO – KIRNAJAS AURUM BLOSSOM DANAYA (BSH ny 12) F

(11.09.2022) This super Black Golden girl of two and a half has wonderful British type and excelling in body shape very well grown and in superb

condition she just glowed with health and well being. Apple shaped head a rounded brow leads down to a short broad and straight nose, ears are widely spaced medium in size and fit into the head contours very well, with defined facials, full cheeks and well rounded muzzle deep chin and level bite. Lovely coat for even tipping texture and density with a crisp feel along the body, which is compact four square with short well boned legs and a matching tail with a black tip and black heels, lovely cat.

2<sup>ND</sup> COSMAS GOLDEN FAIRYTAILE ELSA (BSH ny 12) F (22.06.2023) Another really nice Black Golden Tipped girl just under two years of age not quite as mature looking as the winner, she has a charming and relaxed manner. Pleasing type head with a well rounded forehead wide set ears, short straight nose quite broad and nice profile, expressive eyes a good depth of green with rounding to her muzzle nice chin and tidy bite. Nicely rounded body shape she is deceptively heavy with good boning to her legs and proportionate tail. Similar coat to the winner in terms of the evenness of the tipping and base colour but in a heavy moult so losing some of the density, well presented.

BRITISH BLACK KITTEN class G229

1<sup>ST</sup> & BOB TO – HILLS ASTRALCHARM MIDNIGHT MEMORIES (BSH n) M (11.11.2024) A really nice chap just on five months, of good size and weight with a nice healthy shine to his coat. Well shaped head with a good brow line, ears are a little open but quite widely spaced and not looking too out of place, short broad and straight nose, round orange eyes showing a pleasing gentle expression, muzzle is firming up nicely with a level bite. Coat feels a little soft at present but has good density and is an appealing rich black and sound, very nice overall and handled well.

BRITISH CHOCOLATE KITTEN class G230

1<sup>ST</sup> & BOB TO – O'NEILLS MISCHIEFCUTIES COCO CHANEL (BSH b) F (06.09.2024) Chocolate box babe of seven months and so balanced showing good overall proportions her compact body feels lovely and firm with neat legs and nicely rounded paws. Apple round head with neat ears and round shaped eyes, in profile there is a gentle break to the nose, muzzle is quite strong and a level bite. Lovely short coat a warm chocolate sound to the roots, soft in texture at the moment but does have a slightly crisper feel over the back. Shown in excellent condition, with a friendly nature.

BRITISH LILAC KITTEN class G232

1<sup>ST</sup> & BOB TO – RICHARDSONS MIAMOREPAWS MEADOW (BSH c) F (27.09.2024) Pretty kitten of six and a half months, everything about her is so

nice just love her face and expression, her head has just the right balance and type, well rounded with neat ears and lovely light orange eyes, with a gentle profile line, cheeks plumping up as she matures, level bite. Body of good size with a proportionate tail having a gentle taper to the rounded tip. Pale pinky lilac coat is short quite dense with some resilience to the touch, as yet still baby soft in texture, really nice kitty she was so nice to handle.

2<sup>ND</sup> O'NEILLS ELLCLARACATS PURPLE RAIN (BSH c) F (06.09.2024) Sweet girl just on seven months and blossoming into a really nice example of the breed, just requiring a little more fullness to her cheeks to bring everything together nicely. Ears are neat and set quite wide on a well proportioned head, in profile she has a gentle break to the nose, well opened eyes, good chin and bite. Medium body shape her legs are well boned ending in neat paws, and good length tail. Short coat which has some density, although still kitten soft the lilac has a nice warm pinky tone to it, lovely natured.

BRITISH CREAM KITTEN class G235

1<sup>ST</sup> & BOB TO – O'NEILLS BOHEME BLAZING SUN (BSH e) M (29.07.2024)

Substantial chap of eight and a half months he has bodied up nicely cobby and compact of extremely good weight broadening up across his shoulders with a level back matching tail for length and strong legs, and in nice overall condition. Short densely textured and well presented pale cream coat but very unsound showing quite a lot of ghost spotting at the moment. Wide rounded head with a very short broad nose and expressive copper eyes, very full muzzle and deep chin good bite, handled very well.

BRITISH LONGHAIR KITTEN MALE class G260M

1<sup>ST</sup> & BOB TO – KOLODZIEJCZAK/SPIEWAKS GOLDENROSE\*BLING RUBIN (BLH ny 12) M (08.10.2024) Golden Tipped of six months a super friendly chap with a very full coat, I would like to see much more substance to him as he is light in weight with rather fine boning to his limbs, thick well furnished tail just about long enough to match the body. Head is quite broad, his ears sit well apart and are rounded at the tips, lovely well opened green eyes outlined in black, fairly short broad nose, cheeks still to fully plump up, muzzle looks good, fair chin level bite. His coat is apricot lightly tipped and reasonably even with black, pale apricot to chin chest and tummy area, very well presented.

BRITISH LONGHAIR KITTEN FEMALE class G260F

1<sup>ST</sup> PAULAUSKIENES JUDITA'SBRITISH GRETA (BLH ny 12) F (24.09.2024)

Golden Tipped of six and a half months very little to separate these two as

both were rather light boned with a long coat to hide the fact, he just scores the extra points on type, however as like the male she has a super friendly nature and was a dear to handle. Her round head is developing some width her ears are a tad open at base but well covered by plenty of furnishings, lovely expressive green eyes outlined in black, moderately short nose, a wee bit more rounding to her cheeks still to come to give her face the balance required, chin and bite good. Short fairly cobby body, with dainty limbs, very full thick tail. Kitten soft coat very long with a ruff and breeches, pale apricot with again fairly even black tipping, and well groomed.

BRITISH LILAC NEUTER class G268

Entered for bob only

BOB TO – IGBALS PR AMBERKISS OPAL see above.

BRITISH BLACK SILVER TABBY NEUTER class G272

Entered for bob only

BOB TO – WRENS CH & SUP GRPR DELPHINIUM SUMMER-MORNING see above.

BRITISH BI-COLOUR NEUTER class G286

PC & BOB TO – O’SULLIVANS ASTRALCHARM DANTE (BSH a 03)MN

(06.07.2024) Blue & White boy who just had the edge on pattern and colour distribution, very well developed for just nine months, nice head shape and an extremely well filled body of good substance and weight, tail is proportionate to his body thick at the base with a slight taper to the rounded tip. Round head of good breadth well set ears and lovely eyes for shape and colour, muzzle filling out and firm chin with a level bite. Short coat of good density a little soft in places but a crisp feel along his back, pure white patching covers his body with an even white blaze to his face, medium blue to the ears with random blue patches and a fully covered blue tail, and a sweet beauty spot to the right of his pink nose leather. Well presented.

2<sup>ND</sup> O’SULLIVANS ASTRALCHARM HERSHEY (BSH n 03) MN (06.07.2024) Black & White brother to above also a large well built lad with much size and weight with a heavy set body for his young age, firm strong legs and Good breadth to his head wide set ears and super large round copper eyes, good profile with a deep chin. White blaze to face just about high enough but lacks a pointed finish, white to lower half of his body, black to ears and upper face black over body and tail which is in proportion with his body, his coat is short and rather soft but has been well prepared, both these boys had a calm presence about them and handled well.

Report end – Sandra Moore
