

Judge: Mrs. Rosemary Fisher

Show: Siamese & All Breeds Cat Club of Ireland

Date: 18th October, 2015

My thanks to Ronnie and the Club for inviting me, and to Teresa Monahan, my hard-working steward, for her help throughout the day, the first time Teresa had stewarded – I hope you enjoyed your day as much as I did Teresa. Some lovely cats and kittens to handle in all the sections, and a wonderful line-up for Best in Show – congratulations to all the winners.

AC EXOTIC CHAMPION

GR CH Morris's INT CH Sheerbliss Fabio – Red Spotted

A 3½ year-old boy with a good round head with broad top and good ear placement. Large, round orange eyes, short broad nose with good full leather and ample nostrils. Nicely rounded cheeks, good firm chin and slightly undershot bite. He is a good size boy with a short cobby body shape, short well boned legs and short thick tail. Today his coat lacked some density, due to the time of year. He is quite a pale shade of red, but spots are evident, M to his forehead and facial tracings, rings to his tail. Nicely presented.

AC NON-SELF PERSIAN CHAMPION MALE

GR CH Guiney's CH Zilva Oscar Wilde – Chinchilla

A very good type, masculine cat. Lovely round head, broad top, very good small ear size and nicely set. Large, round green eyes, nicely outlined. Snub nose with good brick leather, round cheeks, firm chin and slightly undershot bite. He has a very cobby body with short, well boned legs and round paws, short tail. His coat was short today, evenly tipped and generally well prepared, just some stud tail evident which spoilt the overall picture, but I was able to talk with his owner after judging and suggest a remedy which will hopefully deal with this.

AC NON-SELF PERSIAN CHAMPION FEMALE

GR CH Guiney's CH Owletts Margot Fonteyn – Chinchilla

A pretty 3½ year-old Chinchilla with a good broad top of head and well placed ears. Lovely big, green eyes well outlined. Short broad nose and good full leather which I would prefer a little deeper in colour. Nice firm chin, fractionally undershot bite. Nice cobby shape, short well boned legs and short tail to balance her body shape. Her autumn/winter coat is starting to come in, tipping a little heavy to the lower half of her back at present. Shown in good condition.

CHINCHILLA OR SHADED SILVER ADULT

1st, CC & BOB Guiney's Purejems Dolly Parton – Chinchilla female

A very pretty youngster of 15 months, and daughter of the two Gr Ch Winners. Lovely round head, good top of head, neat well set ears. Round, expressive green eyes, nicely outlined. Short broad nose, round cheeks, good chin and almost level bite. She has a very good cobby shape, short legs and tail. A very nice coat with good length, soft fine texture and evenly tipped and very well prepared.

SHADED & TIPPED CAMEO ADULT

1st, CC & BOB Craig's Sunlit George – Cream Tipped male

A fantastic boy, he has an excellent broad top of head, ears well placed into the contours of his skull. Smooth forehead, snub nose with good full leather, round full cheeks, excellent firm chin and slightly undershot bite. He has an excellent body, it is short and cobby, with good weight, muscular, well boned legs, round firm paws, short very full brush. Excellent coat for length and texture, frill developing nicely, excellent preparation made the most of his even cream tipping and lovely clear undercoat, all legs clear of barring. Such a difficult colour to breed to perfection. Congratulations to his owner and breeder. My nomination for Best Persian Adult, and Overall Best Persian – later went on to win Overall BIS.

AC TABBY OR TABBY & WHITE EXOTIC ADULT MALE

1st, CC & BOB Noonan's Sybarit Neo – Brown Classic Tabby

A lovely boy, with an excellent round head, his ears are small and well set. His eyes are round, deep orange and most expressive, short broad nose, lovely round cheeks, good firm chin, fractionally undershot bite. He has an excellent cobby shape, his legs and short and well boned and his body shape is balanced by a short, thick tail. He has an excellent Exotic coat, it is short, dense and soft, his lovely classic pattern is displayed against a warm agouti ground. Excellent condition and a super friendly temperament.

AC TABBY OR TABBY & WHITE EXOTIC ADULT FEMALE

1st & CC Noonan's Zendique B'Fast at Tiffany – Blue Classic Tabby

A very cute girl, with a good round head, neat ears, round bold eyes of good colour, snub nose, round cheeks, good firm chin and level bite. Very cobby in shape with short legs and tail. Very good thick, soft coat medium blue in tone displaying a good classic pattern.

2nd Craig's Sheerbliss Miracle of Joy – Black Silver Spotted

Another very nice girl with a good round head, well set small ears, round deep orange eyes. Short snub nose, round cheeks, slightly undershot bite. Very good cobby shape, well boned legs and short thick tail. Today her coat lacked undercoat, she has a good silver ground colour and a well displayed spotted pattern – it's hard showing Silvers, as they take time to recover after a moult, as I know only too well.

3rd Kernaghan's Kernakitz Sugar N Spice – Brown Tortie Tabby

A pretty girl, but still looking very much a kitten. Round head with good ear set, round orange eyes, short nose, round cheeks, good chin and bite. Cobby in shape. She has a nice coat texture with a good warm base colour and nice Tortie/Tabby pattern.

TABBY COLOURPOINT KITTEN

1st & BOB Naughter's Risetta Pandora Princess – Seal Tortie Tabby Point

Very nice round head, she has neat, well placed ears, round pale blue eyes, which I would prefer a little larger. Short broad nose, good round cheeks, nice firm chin and level bite. She has a very good cobby body shape, short thick legs and a short tail to balance. Well matched mask and points, showing good patterning and colour distribution. Lovely full, clear body coat that had been very well prepared.

AC TABBY OR TABBY & WHITE EXOTIC KITTEN MALE

1st Caughey's Hinchkitz Ment to Be – Silver Tabby & White

Well grown 5 month old boy with a good round head, well set ears. Round eyes with colour still developing. Snub nose, round cheeks, good chin, teething very hard at present with double canines. Cobby boy, he has a very nice soft white coat with random silver Tabby patches and a fully coloured well ringed tail.

AC TABBY OR TABBY & WHITE EXOTIC KITTEN FEMALE

1st & BOB Caughey's Himchkitz Epic Evie – Blue Tortie Tabby

Very sweet baby with good round head, neat little ears, round eyes, colour still developing. Snub nose, good chin and level bite. Cobby body, short legs and short thick tail. Good coat colour, pattern and texture. Medium blue tone, with tabby pattern overlaid with cream patches. My choice for BOV Persian Kitten.

2nd Craig's La Peregrina Assol – Blue Tortie Tabby & White

Nice big, well grown kitten, slight head bump, good ear set, short broad nose but very small nostrils. Good chin and level bite. Good cobby body, short well boned legs, short thick tail. Very nice coat length and texture, well prepared. Slightly dark shade of blue and cream patches, nicely patched with tabby pattern evident in places.

AOC NON-SELF EXOTIC KITTEN

1st & BOB Noonan's Simcris The Enchantress Black & White Bi-Colour female

Bonny kitten with a good round head, ears well placed, round eyes with colour still developing. Short broad nose, good full leather, nice muzzle and chin, bite fractionally overshot. Cobby with excellent weight and body shape, short legs and short tail. Thick soft coat that had been well prepared. Black to both sides of her head, almost full coloured tail (white just bleeds into the black on the underneath of her tail). Black spot to right back foot.

AC TABBY OR TABBY & WHITE EXOTIC NEUTER

1st, PC & BOB Alfred's Kernakitz Kissantell – Brown Tabby FN

Youngster of 13 months, looking a little immature. Round head, good ear set. Round eyes of good deep orange, short broad nose, good leather, good chin and level bite. Cobby body shape, nice warm agouti ground colour with a well defined classic pattern.

2nd Guilfoyle's Sheerbliss Adalina – Tortie Silver Tabby

Good round head, good top and ear placement. Round eyes, just spoilt by gutters. Snub nose, round cheeks, good chin, bite sadly slightly misaligned. Cobby, short legs and tail. Thick soft coat that is nicely marked.

AOC NON-SELF EXOTIC NEUTER

1st, PC & BOB Guilfoyle's Sheerbliss Precious Memory – Tortie Smoke

Lovely mature cat. Round, bold head, neat ears, round deep orange eyes, short snub nose, round cheeks, good firm chin and good bite. Very cobby body shape, short thick legs, short thick tail. Thick, dense soft coat with an excellent Tortie pattern and very good contrasts. My choice for BOV Persian Neuter.

NON-PEDIGREE SECTION

TABBY OR TABBY & WHITE CAT MALE

1st & BIC Cleary's Mystery

Big mackerel tabby boy of 7 years, handsome head, large green eyes. His semi longhair coat shows a very good pattern and was well presented for the show. Excellent condition.

Cat no. 84 Flood's Bobby, is a good looking lad, but unwilling to be handled today, so had to mark him CNH.

TABBY OR TABBY & WHITE CAT FEMALE

1st Flood's Sweetie

Shy girl, but handled with no problem. She has a lovely, sleek tabby coat and expressive green eyes. Shown in excellent condition.

GINGER OR GINGER & WHITE CAT MALE

1st & BIC O'Riordan's Ernie O'Riordan

Semi Longhair boy with a sweet expression and amber eyes, soft very well prepared coat.

2nd O'Galligan's Tiggy

Handsome boy with a sleek ticked tabby & white coat. Very nicely shaped head and large green eyes. Excellent condition.

TORTIE OR TORTIE & WHITE CAT

1st & BIC Bell's Pippilotta Bell

Tortie Tabby & White, a lovely girl with a beautifully marked coat, very gentle to handle.
