Mrs Sally Tokens

My sincere thanks to Ronnie Brooks and the committee for asking me to judge in Dublin. I had a very good weekend and the hospitality was excellent. Thank you for the lovely gift. Special thanks to Alan for stewarding for me.

HIBERNIAN CH MALE; HIB CC; Harte GR CH MOLLYCODDLE LITTLE

HEARTBREAKER brown classic tabby and white exotic just over three years old. A lovey lad who has strong bone and substance. Short cobby body set quite low on the legs. Ears a little tall but well placed. Skull is rounded. Cheeks have a good width. Round eyes that are of a good orange colour. Short broad nose. Level bite. White on his muzzle. Not quite a full collar. Patch of white to his back and white up his flanks. Good oyster markings to his sides. Lines running over his head. M to the forehead. Lines across the cheeks from the corner of his eyes. In his summer coat today, soft to touch and just managing to stand away from the body. Tail with rings and balances with the body.

RES HIB CC; Rima GR CH KAZBARA STAR-TROUPER lilac classic tabby Persian who is very friendly and a delight to handle. Lovely size and weight. Ears are nicely placed just a little open at the base and have very good furnishings. Skull is rounded and he has good width to his cheeks. Short broad nose. Level bite. Large round eyes that are a medium orange in colour. M to the forehead and thumb prints to the ears. Some tabby markings to his sides and a small amount of undercoat to the body. Tail is sparsely covered and medium in length. A very good lilac colour to the markings and warm ground colour, just being lilac it is very difficult to see many of the body markings.

HIBERNIAN CH FEMALE; HIB CC; Craig & Bell GR CH GRASSHOPPERS LOVE AND KISSES tortie silver classic tabby and white of just over three and a half years old. Short cobby body set low on the legs. Small ears which are beautifully placed. Rounded top of head. Cheeks are of a good width. Short snub nose and a nice size leather and nostrils, just a tiny bit undershot. Round eyes that are a lovely deep orange colour. White on her upper left muzzle. White to her tummy, legs and paws. Very good silver evident all over the coat. Some undercoat and a soft texture to a very well presented cat. Half an m on the right side of her face and a part butterfly marking to her shoulders, some tabby to her sides. Lightly covered tail which balances.

AC NON SELF PERSIAN CHAMPION; GR CC; Craig & Bell CH CARISMA SO CHIC black smoke Persian who is around three years old. A nice sized female with sound bone and a good weight. A beautifully presented coat.

nicely developed. She tends not to open her eyes fully and they are a nice orange colouring. Break to the nose which is short and broad with lovely size to the nostrils and nose leather. Level bite. AC BURMESE CHAMPION; GR CC withheld 1; Taylor CH BACKCHAT ALICE SPRINGS blue tortie female of two and a half years old. Head just in proportion to the body and a medium wedge with a slightly flat profile. I would have liked to seen a little more width to the cheeks for perfection. Lower eye line is rounded and she has a slant to the upper line with the colouring being a pale chartreuse. Chin a little weak. She has nice bone structure just a little slender along her back. Close lying coat with a soft texture and beautifully presented. Blue and cream to form the tortie pattern. Tail medium length and tapering.

Short and close lying coat, fine in texture, nice and soft.

AC BURMESE GRAND PREMIER FEMALE; HIB GR PC; Sluiters GR PR ALDEBIZ MANEKI HOSHI chocolate tortie eight years old and in very good condition for her age. Friendly female who is easy to handle.
