#### BICOLOURED KITTEN

1<sup>ST</sup> HARTE GEOFFREY SANTA CRUZ

A very handsome red and white male 6 month old kitten. Lovely balanced type with an extremely sweet expression. Broad head with nicely placed neat ears. Short nose, fat cheeks, very good bite and strength to chin. He was well grown a good size and shape. Unfortunately his presentation let him down. His owner is very new to showing and had not received the right information regarding grooming. He needed lots more in the way of preparation and his white was badly stained. I did spend time with his owner and hopefully the next time he is shown he will look wonderful.
