

**SABCCI**  
**Judge Mrs. Barbara Prowse.**  
**21/10/2012**

Thank you Ronnie for the invitation to judge at your show this year. My first time here. I had a lovely day which was busy but I handled some very nice cats and kittens. Thanks to Rowena Murphy for her help and good handling of the exhibits.

**HIBERNIAN GR CHAMPION MALE**

HIB GR CC MS C WALL'S INT CH SHEERBLISS ENRICO (70 31a) M 14/4/07 - Blue and White Exotic of good size and shape. Body is cobby and he stands on short fat legs. Lovely balanced Persian type. Round head with good width between neat ears. Round eyes of a good orange colour. Short broad nose with good break and full leather. Level bite. Coat dense and plush standing well away from the body. Medium shade of blue with a sparkling white. White collar and white chevron to face. White underparts. Tail in proportion to his body. Excellent temperament. Won overall BIS, Congratulations to his owner/breeder.

**HIBERNIAN GR CHAMPION FEMALE**

HIB GR CC MRS E McCARTHY'S GR CH SHEERBLISS HAYLEY'S COMET (70 30s) F 25/10/09 - Silver Spotted Exotic who is cobby in shape and stands on short fat legs. Round head with good width between ears. Round expressive copper eyes. Good bite. Full cheeks, strong chin. Good markings with M to forehead with an unbroken stripe running back from the outer corner of each eye. On the neck and upper chest there are numerous unbroken necklaces. Dense black spotting on a silver ground colour, spotting is linked in a lot of places. Coat dense and plush, standing away from the body. Well ringed tail in proportion to body.

**AC EXOTIC CHAMPION MALE**

GR CC MRS & MISS CAUGHEY'S INT CH HINCHKITZ UNFORGETABLE (70 8) M 22/4/08 - Brown classic tabby of good shape and size. Excellent balanced type with round head, smooth skull. Good width between neat well furnished ears. Round copper eyes. Short nose with good break and full leather. Acceptable bite. Full cheeks, strong chin. Dense plush coat standing well away from his body. Warm copper ground colour with dense black markings. M to forehead, spotted whisker pads, thumbprints to ears. Butterfly across shoulders and oysters to both flanks showing well. Spine lines running parallel to each other. Markings a little brindled on the day. Well ringed tail.

**AC EXOTIC CHAMPION FEMALE**

GR CC MS CRAIG & LL'S CH SHEERBLISS MYSTICAL CHARM (70 12a6ts) F 15/5/09 - Silver Tortie Tabby Exotic who is cobby in shape and standing low on the legs. Lovely balanced Persian type. Round head with good width between ears. Round copper eyes. Short broad nose with good break and full leather. Full fat cheeks, strong chin. Level bite. Coat is a silver ground colour overlaid with red showing well defined tabby markings. It is short, dense and full of life. Tail in proportion to her body, well ringed.

## **AC NON SELF PREMIER**

GR PC MRS & MISS CAUGHEY'S PR HINCHKITZ OH LALA (13b17) MN 14/6/10 - Cream Tabby Colourpoint of good size and shape. Large round head with good width between neat ears. Round blue eyes. Short broad nose with good stop and full pink leather. Good bite. Well prepared coat. Tabby markings to face a little faint but markings showing on legs and tail. Cream a pastel shade. Rings to tail that is in proportion to his body.

## **AC EXOTIC PREMIER**

GR PC MRS D MORTON'S PR SHEERBLISS WACKO JACKO (70 12a1ts) MN 20/1/10 - Black Silver Tabby and White Exotic who is cobby in shape and stands on short legs. He is beautifully balanced for Persian type. Round head with good width between neat ears. Round expressive copper eyes. Short broad nose with good stop and full leather. Good bite. Coat is soft, dense and plush. It is full of life and is displaying well defined tabby markings. He has a white moustache, part white collar, white to chest and underparts. Face shows M to forehead, spectacles, spotted whisker pads and thumbprints to ears. Tail is well ringed and a good length.

## **HIBERNIAN SLH GR CHAMPION MALE**

HIB GR CC NERETTI & GIBBONS'S GR CH POPPYLOVE MAORI LEGEND (66b) M 24/1/10 - Chocolate Colourpointed Ragdoll who is well grown. Long body standing on legs that are medium in length on large round paws. Head is broad with a flat plane with good width between ears that are medium in size and tilted slightly forward. Eyes are medium blue in colour and are set slightly oblique. Nose is medium in length with a gentle dip. Well developed cheeks and nicely rounded muzzle. Level bite. Coat is well prepared. Coat is a lovely silky texture and medium in length. Points are milk chocolate and all matching except on the mask which is brindled around the eyes and he lacks pigmentation in this area. Tail long, bushy and medium in length.

## **HIBERNIAN SLH GR CHAMPION FEMALE**

HIB GR CC MRS P SAVILLE'S INT GR CH ISHCUS MELISA (64 41ew) F 1/2/08 - Tortie Tabby and White. Nicely balanced and very pretty. Solid and muscular with good breadth to chest standing on substantial legs with large round well tufted paws. Head medium in length, nose of uniform width with shallow concave curve. Cheeks fairly full with high cheek bones. Level bite. Square muzzle. Eyes full and round, spaced well apart and set slightly oblique. Well presented coat with full ruff and breeches. Brilliant copper brown ground overlaid with red and black tabby markings which are well defined. White chest, feet and underparts. Tail well ringed and at least the length of the back.

## **AOV SLH CHAMPION**

GR CC M KUSMIERZ'S CH BULGARI BUBU-COONS (64 41) M 8/5/11 - Brown Tabby Maine Coon. Good size, well built and standing on substantial legs with large round well tufted paws. Body long with proportionate limbs. Head is medium in length with tall well tufted ears that are set high. Round hazel eyes which are set slightly oblique. Nose of uniform width with a slight concave curve. Square

muzzle with firm chin. Good bite. Coat well prepared and a lovely texture. Cold copper ground colour with well defined black markings. M to forehead, spectacles around eyes, spotted whisker pads, thumb prints to ears. Shoulder markings form an outline of a butterfly with oysters to both flanks. Back a little solid. Tail very long, well ringed and well furnished.

#### **AOV SLH PREMIER MALE**

GR PC MRS J FRIZELLE'SINT PR & GRPR ISHCUS ADAM (64 41dw) MN 26//8/09 - Red Tabby and White Maine Coon. Body is large, solid and muscular with good breadth to chest. Head is medium in length and he has large well-tufted ears which are set well apart. Round gold eyes spaced well apart and set slightly oblique. Nose of uniform width with shallow concave curve. Good bite. Cheeks fairly full with high cheekbones. Well-prepared coat consisting of an undercoat with a glossy top coat. Well developed ruff and breeches. Red ground colour with deeper red markings. M to forehead, spectacles, spotted whisker pads, thumb prints to ears and necklaces to neck and upper chest. Body markings well defined. White chevron, chest, underparts and feet. Barring to legs and well-ringed tail, which is long, and in proportion to his body. A lovely boy.

RES GR PC MRS C HARMON'S PR ISHCUS COLUM (64 41w) MN 4/3/08 - Brown Tabby and White Maine Coon. Good size and body confirmation standing on substantial legs with large round well-tufted paws. Body long creating the characteristic rectangular appearance. Head medium in length with large tall well-tufted ears, which are spaced well apart. Full and round gold eyes set slightly oblique. Nose of uniform width with shallow concave curve. Level bite. Square muzzle, cheeks fairly full and high cheek bones. Coat needing a little more preparation showing a warm brown agouti ground colour, M to forehead, spotted whisker pads, spectacles and thumbprints to ears. Body markings diffused at present due to length of coat. White feet, chest and underparts with white inverted V on face. Tail long, well ringed and at least the length of the body.

#### **AOV SLH PREMIER FEMALE**

GR PC I SHACKLETON'S PR ISHCUS LUCY LOCKET (64 41dw) FN 16/8/10 - Red Tabby and White Maine coon. Body is large, solid and muscular. Head is medium in length and she has large well-tufted ears which are set well apart. Round hazel eyes spaced well apart and set slightly oblique. Nose of uniform width with shallow concave curve. Good bite. Cheeks fairly full with high cheekbones. Well-prepared coat consisting of an undercoat with a glossy top coat. Well developed ruff and breeches. Red ground colour with deeper red markings. M to forehead, spectacles, spotted whisker pads, thumb prints to ears and necklaces to neck and upper chest. Butterfly to shoulders and oysters to flanks. There is an unbroken spine line running between butterfly and tail with a stripe running parallel to it on either side. White moustache, part white collar, chest, underparts and feet. Barring to legs and well-ringed tail, which is long, and in proportion to her body.

#### **AC BRITISH CHAMPION**

GR CC MRS K IZYDORCZYK'S INT CH KRUZINKAL TORCHWOOD (40 4) M 3/6/09 - Lilac Colourpointed who is a good shape and size. Cobby standing low on the legs. Head round with neat ears that are spaced well apart. Round blue eyes. Nose short, broad and straight with full pink nose leather. Cheeks rounded with firm chin. Good bite. Coat short, dense and crisp. It is also a little shady

on the surface. Points colour a bluey lilac. Tail is medium in length, thicker at the base with a rounded tip.

### **AOC EXOTIC ADULT MALE**

1CC MS C WALL'S GR CH SHEERBLISS MR D'ARCY (70 12a2) M 22/4/11 - Blue and White Exotic of good size. Cobby on short legs. Well balanced for Persian type. Round head with good width between ears. Round eyes of a good orange colour. Short broad nose with good break and full leather. Level bite. Coat dense and plush and stands well away from the body. Medium shade of blue to coat. He is nicely patched with blue and white. Dinky tail.

2<sup>ND</sup> MRS & MISS CAUGHEY'S HINCHKITZ CRACKERJACK (70 13b12) M 8/9/11 - Blue Tabby Colourpoint Exotic of excellent size and shape and lovely balanced type. Cobby and standing low on the legs. Round head with good width between neat well furnished ears. Round copper eyes. Short broad nose with good stop and full leather. Good bite. Plush coat that is very shady but a good texture and lacks undercoat at present. Well defined Tabby markings. Tail ringed and in proportion to body.

BOB MS C WALL'S INT CH SHEERBLISS ENRICO (70 31a) M 14/4/07

### **AOC EXOTIC ADULT FEMALE**

1CC E MORRIS'S SHEERBLISS MOON CRYSTAL (70 12a2) F 22/4/11 - Blue and White Bi Colour Exotic. Cobby in shape standing on short legs. Round head with good width between ears which are a little generous at present. Round eyes of a good copper colour. Full cheeks with firm chin. Bite is level. Medium blue coat with white to undersides, legs and flanks. White collar and moustache to face. Coat dense, plush and soft in texture standing away from the body. Blue tail in proportion to body.

### **CHOC POINT BIRMAN ADULT**

1CC BOB K TANNER-MASON'S RANECHI TAUFEEQ (13c3) M 3/6/09 - Chocolate Point Birman. Body long and massive standing on legs of medium length and in proportion to his body with short strong paws. Head broad and rounded with ears that are medium in size and spaced nicely apart. Eyes that are almost round and a good shade of blue. Nose medium in length with a slight dip in profile. Level bite. Cheeks full and round. Coat long, silken in texture and well prepared. Points colour a dark shade of chocolate. Gloves are scalloped, socks cover the entire back paws and he has good length to his gauntlets. Tail bushy, medium in length and in proportion to his body.

### **AC SILVER TABBY MAINE COON ADULT**

1CC B RASZKA'S XIAN AISZA\*PL (64 41sw) M 25/2/11 - Silver Tabby and White Maine Coon who is well grown. Body medium in length standing on substantial legs on large round well-tufted paws. Head medium in size with large tall ears that are well tufted and spaced nicely apart. Full, round hazel eyes which are set slightly oblique. Nose of uniform width with shallow concave curve. Level bite. Muzzle is square with cheeks needing just a little more fullness, chin firm. Well-prepared coat with ruff and breeches developing. Silver agouti ground with well defined dense black tabby markings. Good markings to head and legs. White chest, feet and underparts with white inverted V on face. Tail long, well ringed and at least the length of the body.

## **AOC MAINE COON ADULT MALE**

1CC B ORLOWSKI'S KALAF OF VINGILOT CZ (64 41d) M 16/9/11 - Red Tabby Maine Coon. Body is long, solid and muscular and he stands on substantial legs on large round paws. Head medium in size with good width between his ears which are a good size. Hazel eyes of a good size which are set slightly oblique. Nose of even width with shallow concave curve. Good bite. Cheeks fairly full. Square muzzle. Well-prepared coat showing well defined tabby markings. M to forehead, spectacles, spotted whisker pads and thumbprints to ears. Good butterfly across shoulders with oyster to both flanks. Spine lines apparent with good barring to legs. Rich red markings on a bright apricot ground colour. Tail long and at least the length of the body and it is well ringed.

## **AOC MAINE COON ADULT FEMALE**

1CC MRS P SAVILLE'S ISHCUS BOSTON'S ANGEL (64 31) F 6/3/11 - Black and White Maine Coon. Body of good length, solid and muscular showing the characteristic rectangular appearance. Head medium in length with ears which are a good size, well spaced and they are well tufted and tipped. Full and round hazel eyes that are spaced well apart. Nose of even width with a shallow concave curve. Full cheeks with a good square muzzle developing. Level bite. Well prepared coat of dense black with slight greying along the sides and white. Undercoat with a glossy top coat with ruff and breeches. White chin, chest, underparts and feet. Well furnished tail, balancing the length of the body well.

2<sup>ND</sup> MRS K IZYDORCZYK'S LANGSTTEICH'S GRACEY DARLING (64 41d) F 23/10/11 - Red Tabby Maine Coon. Body is long, solid and muscular and she stands on substantial legs on large round paws. At the moment she is still going through the teenage stage and her head needs to mature and catch up to her body so she has better balance. She has large tall ears, which are wide at the base and needing a little more space between them. Gold eyes of a good size which are set slightly oblique. Nose of even width with shallow concave curve. Good bite. Cheeks fairly full. Square muzzle. Well-prepared coat showing well defined tabby markings. M to forehead, spectacles, spotted whisker pads and thumbprints to ears. Good butterfly across shoulders with oyster to both flanks. Spine lines apparent with good barring to legs. Rich red markings on a bright apricot ground colour. Tail long and at least the length of the body and it is well ringed.

Sorry that I had her as an him!

BOB MRS P SAVILLE'S INT GR CH ISHCUS MELISA (64 41ew) F 1/2/08

Body long creating the characteristic rectangular appearance. Head medium in length with large tall well-tufted ears, which are spaced well apart. Full and round hazel eyes set slightly oblique. Nose of uniform width with shallow concave curve. Level bite. Square muzzle, cheeks fairly full and high cheek bones. Coat well prepared showing a dark brown agouti ground colour, M to forehead, spotted whisker pads, spectacles and thumbprints to ears. White chevron, white feet, chest and underparts. Tail long, well ringed and at least the length of the body.

2<sup>ND</sup> MRS P SAVILLE'S ISHCUS CHARISMA (64 41w) F 21/6/12 - Brown Tabby and White Maine Coon. Good weight for age and a good shape. Head medium in length with large tall well-tufted ears. Full and round gold eyes set slightly oblique. Nose of uniform width with shallow concave curve. Level bite. Square muzzle, cheeks fairly full with high cheek bones. Well-prepared coat showing a warm brown agouti ground with excellent tabby markings, showing M to forehead, spotted whisker pads, spectacles and thumbprints to ears. Butterfly to shoulders with oyster on each flank. Back is a little solid. White feet, chest and underparts. Tail long, well ringed and at least the length of her body.

**3 very nice kittens.**

### **AOC MAINE COON KITTEN**

1<sup>ST</sup> BOB B RASKA'S CHANEL POD PAPUGAMI\*PL (64 14a) F 17/2/12 - Orange eyed white Maine coon. Good size and nice length to body. Stands on substantial legs with large rounded paws, which are well tufted. Head medium in length with tall ears that are well tufted and set well apart. Round orange eyes set wide apart and slightly oblique. Nose of uniform width with slight concave curve. Level bite. Square muzzle, firm chin. Full cheeks. Nicely prepared sparkling white coat with ruff and breeches. Tail long and at least the length of the body. Very nice young lady.

### **AC BIRMAN PREMIER**

GR PC MRS J FRIZELLE'S BAKISTA AUGUSTINA ALLANAH (13c2) FN 11/10/10 - Blue Birman whose type is lovely. Body long standing on legs of medium length on short strong paws. Skull broad and rounded with medium sized ears, which are spaced well apart. Almost round eyes of a good colour of blue. Nose medium in length with a slight dip in profile. Level bite. Cheeks full and round. Well-developed chin. Pure white even gloves. Socks pure white and covering the paw. Gauntlets a good length and just finishing below the point of the hock. Points a bluey grey and all matching. Well-prepared coat of bluish white with some shading on the body. Bushy tail in proportion to the body.

### **BLUE POINT BIRMAN NEUTER**

BOB MRS J FRIZELLE'S BAKISTA AUGUSTINA ALLANAH (13c2) FN 11/10/10

### **LILAC POINT BIRMAN NEUTER**

1PC BOB MR M KIERANS'S CARRICKFERN INSIGNIA (13c4) MN 22/5/09 - Lilac Point Birman of good shape and size. Broad and rounded head with good width between medium sized ears that are spaced well apart. Almost round blue eyes. Medium sized nose with a slight dip in profile. Good bite. Cheeks needing to fill a little. Well prepared magnolia coat. Points a matching pinkish grey. Even gloves, pure white socks and good length to gauntlets. Tail bushy and medium in length.

### **TABBY POINT BIRMAN NEUTER**

BOB MR M KIERANS'S GR PR CARRICKFERN FIRECRACKER (13c15) MN 9/6/06 - Red Tabby point male of very good type. He is long in the body and well grown. Broad rounded skull with neat ears which are set well apart. Almost round but not bold medium blue eyes. Medium length to nose with the required dip in profile. Good bite. Cheeks nicely developed. M to forehead with spotted whisker pads, thumbprints and spectacles. Rich red points colour with mask developing. Full pure white gloves which are full and finish across the angle of the front paws. Socks are pure white and cover the entire back paws. Good length to gauntlets. The coat is a good length and texture and well prepared. Tail is bushy, of proportionate length and needing a few more rings. Lovely temperament.

### **AOC MAINE COON NEUTER MALE**

BOB E CALLAN & J RUSSELL'S SUP TARA GR PR & INT GR PR ISHCUS RED DEVIL (64 19) MN 12/3/06 - Red Tabby Maine Coon. Body of good length, solid and muscular showing the characteristic rectangular appearance. Head medium in length with ears that are large and tall, well tufted and tipped. Full and round gold eyes that are spaced well apart. Nose of uniform width with a shallow concave curve. Strong square muzzle with full cheeks and firm chin. Level bite. Well prepared coat displaying excellent classic tabby markings. M to forehead, spectacles, spotted whisker pads and thumbprints to ears. Good butterfly with oyster to both flanks. Spine lines and barring to legs. Rich red markings on a bright apricot ground. Tail reaching the shoulders, well furnished and well ringed.

### **CHOCOLATE ADULT**

1CC BOB MS T GLAVECKA'S KARASH PHILIP (15b) M 19/7/11 - Chocolate British who is a good shape and size. Head is round with good width between his ears which are small and rounded at the tips. Eyes are round, expressive and a good orange colour. Nose is short, broad and straight. Nicely rounded cheeks and firm chin. Level bite. Coat is dense, crisp and. It is a very dark shade of chocolate and is slightly unsound at the moment. Tail is in proportion to his body.

### **LILAC ADULT**

1CC BOB D DOVBIJENKO'S REYESDESELVA JESSIE (15c) F 20/7/11 - Lilac of good size and shape with a lovely temperament. She is cobby in shape, stands on short strong legs on round firm paws. Round head with rounded cheeks. Eyes are large round and expressive, orange in colour. Nose is short, broad and straight. Ears are neat and rounded at the tip with good space between them. Level bite. Firm chin. Coat is dense short and crisp. The lilac has a distinct pinkish tone. Tail is in proportion to her body

#### **BLUE ADULT**

1CC BOB B ORLOWSKI'S PENCAMBRIA ARIANA (16) F 26/5/10 - British Blue who is cobby and well balanced standing on short strong legs on round firm paws. Round head with good width between ears which are neat and rounded at the tip. Round expressive orange eyes. Nose short, broad and straight. Level bite. Cheeks are round with firm chin. Medium to dark blue coat that is a little long and soft, also slightly unsound today. Tail medium in length, thick and has a rounded tip.

#### **CREAM ADULT**

1CC BOB B ORLOWSKI'S XAVIER BURSZTYNOWY GRYF\*PL (17) M 18/2/11 - Cream who is a good shape and size and has nicely balanced British type. His body is cobby and he stands on short strong legs. Large round head with good width between neat rounded ears. Large round copper eyes. Nose is short, broad and straight with full pink leather. Level bite. Cheeks are nicely rounded with firm chin. Cream coat that is pale in tone and almost sound. Coat is dense, short and crisp. He has very faint tabby markings at the moment. Tail is medium in length with rounded tip.

#### **AOC SILVER TABBY ADULT**

1CC BOB MRS C WREN'S HOONIKATZ ROCK ON RUBY (18e) F 6/9/11 - Tortie Silver Tabby. Body is cobby in shape and she stands low on the legs with round firm paws. Head round with ears which are little tall today, rounded and set nicely apart. Eyes hazel in colour, large and round. Nose broad and straight with a full brick leather. Level bite. Chin a little weak. Coat short dense and crisp. Silvery ground colour with dense black markings overlaid with a rich red. M to forehead, thumbprints to ears, spectacles and spotted whisker pads. Shoulder shows a butterfly, oyster on both flanks which are almost full. Well defined spine lines. Tail well ringed, thick and medium in length. Very shy.

#### **CINNAMON KITTEN**

1<sup>ST</sup> BOB MS T GLAVECKA'S RUSSIAN BEAUTY OF KOTOFFSKI (15k) F 4/3/12 - Cinnamon. Excellent shape and size being compact and well balanced. Short strong legs and rounded paws. Round head with good width between neat rounded ears. Large round eyes that are orange in colour and spaced nicely apart. Short broad nose. Cheeks nicely rounded. Level bite. Coat is short, dense and crisp. Coat is a warm cinnamon brown showing faint tabby markings. Tail thick and of medium length. Very nice young lady.

#### **BLUE KITTEN**

1<sup>ST</sup> BOB MRS K IZYDORCZYK'S MAGIC SMILE BEAUTY (16) F 6/2/12 - British Blue who is cobby and well balanced standing on short strong legs. Round head with good width between small rounded ears. Round expressive orange eyes. Nose short, broad and straight with full leather. Level bite. Cheeks full with firm chin. Medium blue coat that is almost sound and is a little long and soft in texture. Tail medium in length, thick and has a rounded tip. Pretty young lady.

#### **AC SELKIRK REX KITTEN**

1<sup>ST</sup> BOB M LENIHAN'S SKYOTA SIODA DATHUIL (79L 22) F 8/5/12 - Long Haired Tortie and White Selkirk Rex. Body is rectangular in shape and she stands on legs which are medium in length on round firm paws. Round head with nicely rounded forehead. Ears are medium in size; they have curly furnishings and have good width between them. Eyes are large, round and well opened. Nose is short broad and straight with a downward slant and in profile it appears to have a convex curve. Good bite. Well padded whisker pads giving a rectangular impression, whiskers are curly. Coat is thick, dense and is arranged in loose individual curls. It is very well rexed, especially around her neck and well presented. Ruff is full and curly as are the trousers. Tail is thick and medium in length. I just loved this young lady and look forward to seeing her again as she matures.

#### **BLACK SILVER TABBY NEUTER**

1PC BOB S JOHNSTON'S HOONIKATZ BREEZER (18) FN 12/5/11 - Black Silver Tabby. Body is cobby in shape and she stands low on the legs with round firm paws. Head round with ears which are a little tall, round and set nicely apart. Eyes green in colour, large and round. Nose broad and straight with a slight nose break and full brick leather. Level bite. Chin a little weak. Coat short dense and crisp. Dense black tabby markings on a silver ground colour, there was very slight tarnishing on the nose. M to forehead, thumbprints to ears, spectacles and spotted whisker pads. Shoulder markings form the outline of a butterfly, an oyster to both flanks which is well defined. Well defined spine lines. Tail well ringed thick and medium in length.
