

SIAMESE AND ALL BREEDS CAT CLUB OF IRELAND – 21<sup>ST</sup>. OCTOBER, 2012.

MRS. PAT PERKINS - SHOW REPORT.

My sincere thanks to Ronnie and all the Show Management team for a super time at the Siamese & All Breeds show, the Irish hospitality was excellent, I really enjoyed my time with such friendly people and the lovely gift was much appreciated. I took over a lot of Mr.Gow's classes so I hope the exhibitors were not too disappointed. Caroline Wren was my steward, she was a great help, good company and handled all the cats well, many thanks Caroline.

HIBERNIAN CLASS FOR AV SEMI-LONG HAIR GRAND PREMIER MALE

HIB. CALLEN & RUSSELLS SUP.TARA GR PR. & INT. GR. PR ISHCUS RED DEVIL – (12.3.06) Massive Red Tabby Maine Coon in lovely show condition, glossy thick coat showing dark red classic tabby markings to head and body on a soft red ground. Long well padded body, thick high limbs and large paws, balanced off with a long tail reaching his shoulders. Broad skull, wide based ears, long tips and nicely furnished, his nose broad with a concave curve, excellent strength to square muzzle – lovely laid back temperament on this lad.

RES. KIERANS GR. PR. CARRICKFERN FIRECRACKER – (9.6.06) Red Tabby Point Birman, another who was well developed, solid body and sturdy limbs. Mature head with width to cheeks, well set ears, slight profile dip, ears spaced nicely apart, lovely eyes of a deep blue. Warm red to ears with slight thumb prints, M to forehead, rings to legs and bushy tail, body a warm golden cream, the texture starting to go a little harsh on back. Ruff framing his head, very curly under parts, even tapered gauntlets, neat socks – another boy who was easy to handle.

AC TABBY OR TABBY & WHITE EXOTIC NEUTER – MALE

1<sup>ST</sup>. PC & BOB HENDERSONS SHEERBLISS SAMURAI – (17.7.10) Red Tabby & White wearing a well groomed coat of good texture, showing sound red and pristine white, tabby M to forehead, white to chest and tummy, rich red ringed short tail. Round balanced head with small neat ears, broad nose good break, fat cheeks, firm chin, large expressive copper eyes – laid back lad.

2<sup>ND</sup>. LEES SHEERBLISS GIFT WRAPPED ([IGR.PR](#) & PR) - (1.11.08) Big Silver Spotted Tabby, cobby and solid, short thick legs and big rounded paws. Strong masculine head, ears neat, large eyes, when he would open them! would like a deeper colour. Thick well groomed coat standing away from body nicely, showing distinct black markings on a silvery ground, thick ringed tail with a rounded tip – friendly lad.

Also considered for BOB MORTONS SHEERBLISS WACKO JACKO – Tabby & White with a well groomed coat.

FEMALE

1<sup>ST</sup>. & PC. HENDERSONS SHEERBLISS MAGGIEMAY – (25.10.09) Black Silver Tabby, very gentle lass, round apple head with large expressive mid orange eyes, ears just a touch open, nicely feathered, firm chin, short nose. Coat soft but the texture nice, standing away

well, good black markings to head, M, spectacles and eye lines, body nicely marked, tail thick with a rounded end and tabby rings.
