**Mme Portelas Pascale**

Thank a lot for invited me and get the chance to judge those beautiful classes.

**\*Class 357 A.V. Foreign Grand Premier**

*HIB GR PR Miss A Dixon's GR PR ARABOTH MIRABEAU-DIAMOND (72 43sq)GPR*

*Good wedge shape for the head, good profil with a depth between top of the head and straight nose. The chin is weak and not on line with the tip of the nose.beautiful eyes shape and color. Ears are well set apart. Very nice medium body, good balance of legs and tail. Great coat fine, close lying to the body, good color repartition.*

**RESERVE**

*A Earnshaw& R Dunne, TARA GR & Int PR LORRENTINO TIGER-LILY FN (33a 30)*

*Beautiful condition for a six years old Great coat regularly wavy all over the body. Wonderfull body, medium size with large open chest, good balance of legs and tail. Good head shape and profil, the ears are larges I would love them with a ear lobe more marked, high cheekbones, short muzzle could be a little stronger. Good eyes shape.*

**Class 508 A.C. Siamese Premier**

R Murphy, PR ATARIQ CAVACHE MN(24a)

GP

Good triangular head, ears are large and well set, low.

I would prefer a longer head, profile is good enough straight , good strong chin.

Good eyes. Body and tail are a little too short. Good legs with fine boning.

Good color even if the body start to darken, good contrast of the point .

**Class 180 A.O.C Maine coon neuter**

Miss J Frizelle, Int CH& GRPR ISHCUS ADAM. MN(64 41 dw)

BOB

Nice head with high cheekbones, strong square muzzle, strong chin.

Large ears high set with super lynx tips. Good profile, with a gentle concave curve,

There is a light bump on the nose. Wonderful rectangular, long substantial body.

Good strong boning for the legs, good balance of the tail.

Good lenth of the coat uneven, good contrast of the red. Nice grooming.

Great a personality a pleasure to handle.

### **Class 343 Brown spotted Bengal Kitten**

A Macdonald & M Quinn, WILDFOREST LADY BUG (76 30) F  
1st BOB

Lovely body, muscular, powerful, legs and tail well balanced.  
Good shape of head ,Broad modified wedge with rounded contours,longer than it is wide. Good profile with a very slight concave curve, the muzzle is strong with a good chin. Ears are a little bit large but well set. Good size and shape of eyes.  
Great coat : very nice large size of rosettes with a good contrast, good soft and silky texture.

### **Class 482 blue Point Siamese Adult**

Miss M Baker JOMESE JUNO F (24a)

WH

Good head shape triangular, long, Great ears large, well set., perfectly on line with the wedge.  
Profil is almost straight, good chin. Good eyes almond shape set on oriental slant.  
Body is too short and too "fat" not tubular at all!, good fine boning for the legs.  
Tail is too short. Lack of contrast between the point and body. The body color is too dark. Nice texture of the coat close lying and fine.

### **Class 511 Blue Point Siamese neuter**

L Keane DEDANNAN OISIN OF COOMAKISTA MN (24a)  
1ST

Good head shape, triangular, long.Ears are set too high.  
Good straight profil, good almond shape for the eyes well set.  
Body should be more tubular ! Good legs fine and tall.  
Tail is a little too short.  
Body color is too dark and the coat is too thick.

### **Class 513 Lilac Point Siamese Neuter**

Miss M. Backer JOMESE JUPITER (24c) MN  
**1st**

Beautiful head, long triangular, large ears set perfectly in the head wedge.  
Good eyes shape, almond with oriental slant set. straight long profile.  
Pretty good body, I would like more tubular, longer.  
Good fine boning. Tail a little short. Good coat fine texture close lying.  
Good contrast of the point, body is really ivory.

### **Class 524 breeders Maine Coon**

W Brindley&c Smith Katez Blameiton the Boom Boom M (64 41)

1st

Good head shape with high cheekbones I would like a stronger square muzzle  
With a stronger chin. good profile but a sligh bump. Ears are large but set too low  
Good oval shape eyes. Good rectangular body, long, should develop with age.  
Heavy boning on tall legs. Good tail lengh.  
Good uneven coat.

### **Class 559 AV Limit**

1st

Ms Useckaite SPHYNXANTIQUUS X QLUSIVE M(84 20)

Great body, with broad chest, well muscular. Good boning, good balance of the tail.  
Good head shape with prominent cheekbones and a distinct whisker break.  
Good profile with a sligh stop. Large ears well set. Good eyes  
Great texture of the skin completely hairless.

2nd

I Henson SPHYNXANTIQUUS Victoria Secret F (84 21)

Head type looks too much like a Devon Rex, muzzle and profile are too short.  
Ears are large but set too low. The body is fine for a young female, should develop  
with age, chest should be broader. The hairless skin feel wonderful .

### **Class 561 AV Junior**

1st

R Zenevskaa, E'MUFFIN (16) M

Good rounded head, good muzzle well rounded, good profile ,chubby, round cheeks,  
broad, round head, good shape of eyes and color. Ears are medium size well set.  
Body should develop, chest is not enough broad. Will take muscle with age .  
Good balance of legs and tail. Good coat color and texture, thick.

2nd

T Glavecka, YOUR MAJESTY STAR BRUNO (15b) M

Good medium muscular body, good boning good proportion of the leg and tail.  
Head is well rounded view from face or profil, ears are a little too high set.  
Eyes rounded but too small, I would prefer a broader and rounder muzzle.  
Good texture of the coat and good color.

### **Class 562 AV Senior**

1st

E Lastauskiene, CH PL\*AQUBAMKA DOMALIEN! (33a31d)

Beautiful headwide with full cheekbones , short muzzle well pronounced,

Good profile with a marked stop, great ears , large well set. Good eyes

Very nice body , broad chested, good balance of the legs and tail.

Good coat wavy everywhere on the body.

2nd

Ms Z Useckaite, PHATPAWS FOR THOUGHT, (84 21)

Good head shape with prominent cheekbones and a distinct whisker break.

Good profile with a slight stop, ears are well set and a good size.

Good body for a young female, should develop with maturity.

Good boning and long tail. Great texture if the hairless skin. Proper repartition of colors.

A Macdonald & M Quinn, WILDFOREST LADY BUG (76 30) F

2nd

M Domarkiene, SPHYNXHAVEN DOLCE GABANA (84 28) F

Good body for a young female, good balance legs and tail, ears are large but set too

low, good prominent cheekbones and distinct whisker break. Nose is too straight,

Lack of chin, good eyes shape, very nice feeling of the hairless skin.

### **Class 572 AV 6-9 months**

1st

Mrs C Wren, LIMATZ SUPER-MAN (18) M

Very nice body, broad chested, well muscular, good boning,

Good balance of tail. Good head shape rounded from every angle.

Already broad rounded muzzle. Good profile , god rounded eyes.

Ears are well set. Great color and pattern with strong contraste.

### **Class 576 AV Non Breeders**

1st

M Patton LABRYS THE DOCTOR(16) MN

Good rounded head shape front every angle, broad rounded muzzle, chubby cheeks,

Good profile. Ears well set, good eyes color and shape. Heavy body with broad chest,

Powerful, muscular , good balance of legs and tail. Very good thick coat, color is uniform.

2nd

A Earnshaw & R Dunne, Int PR LORRENTINO GIVEMESOMELOVE (33 31s) FN  
Good body for the age, elegant, muscular on high legs withering boning.  
Good arch back, good fine and long tail. I would prefer a egg shape for the head with a roman profile instead of the straight nose, ears could be set higher.  
Good eyes shape and color. Great marceline coat, regular waves.

3rd

G Slater PR HOONIKATZ SILVER BELLE (30s) FN  
Young female should develop more, rounded head , rounded forehead, good profile  
Lack of chin, muzzle is not enough broad and rounded, good rounded eyes, ears are well set. Good size of the body for the age should grow and develop a broader chest.  
Good proportion of legs. Tail is too short. Coat texture and color are correct.

4th

M Earley & S Jonhson PR HOONIKATZ SILVER BREEZER (18)FN  
Head is rounded a little bit small in proportion of the body. Profile is good  
But muzzle is too weak to pointed, good eyes.  
Body is really heavy with a board chest but the legs are too fine not in proportion with the torso. Tail is too short and too fine. Coat is not in show condition, lack of grooming.

### **Class 577 AV Debutante**

1st

C KielyDADDYO DICK DASTARDLY (84 31a) MN  
Good head shape prominent cheekbones with a distinct whisker break.  
Good muzzle with a good chin. Good profile with a slight break.  
Difficult to see the ear set... It's a large cat well muscular, broad chested.  
Good boning good tail. Good quality of the hairless skin.

### **Class 579 AV Limit**

1st

Mrs J Frizelle REYESDESELVA BENNY (40 4) MN

Good looking cat ! Rounded head, broad, with rounded muzzle, chubby cheeks  
Great eyes, round large, good ear set. Good body for the age should develop more  
with time. (Chest need to be broader), good boning and thick tail, good contrast  
between the point and the ivory color of the body , good texture of the cat and good  
grooming.

2nd

C Kiely DADDYO BLACKPUDDIN (84 15) MN

Good head shape with prominent cheekbones , good muzzle break  
Ears are well set, large. Profile is too straight, good eyes shape.  
Body is lacking of muscle tone, back legs are a little cow hocked  
I would like not to see the arch back, so bony. Good skin completely hairless
