

Siamese & All Breeds Cat Club 30/10/2022 Ms Sarndra Devereux

Grateful thanks for the invitation to judge at this lovely show to Mrs Hehir and all the show team, the hospitality couldn't have been any better. Great to meet up with old friends too. I was delighted to have the lovely Marina Steiner-Browne stewarding for me, so gentle with the cats and a pleasure to be with for the day; hope we get the chance to work together again Marina, many thanks for your hard work and companionship.

Section 1 Hibernian Grand Champion

HGC HARTE'S GrCh&Int Ch MOLLYCODDLE HEARTBREAKER (EXO n 03 22, M, 02/08/2015). Good sized lad with cobby body, well boned short limbs, large round paws and short, well shaped tail. Balancing broad, round, smooth topped head showing apple cheeks and very good width to the muzzle. Short, broad nose, with ample nostrils and leather. Good depth to level chin, slightly undershot bite. Bold eyes, prefer a deeper orange in tone. Small ears of pleasing set. Coat slightly long and in need of preparation, being harsh and loose, his white areas and all paws being heavily stained. Super temperament. I deliberated before awarding to this exhibit and eventually decided to award to the cat for his lovely type and demeanor however his owner seriously needs to give this boy the show preparation that he needs, with it I'm sure he could go further.

Good profile break, level chin, bite appeared level from the very brief look I got. Deep amber tones to eyes that he wasn't opening fully today. Medium sized ears, holding a fraction high. Short, close lying bright red coat of good overall texture. Really not in the best of moods today, feeling his feet as many young boys do and pulling his face in all directions, but having spent some time watching him, I decided he had enough attributes for the certificate.
