

SABCCI SHOW

30TH OCTOBER 2022

MRS SANDRA MOORE

Many thanks to show manager Gloria and of course Carmel for the invitation to this Southern Irish show on the outskirts of Dublin, and to all the many back room boys and girls who worked tirelessly throughout the busy day making sure everything ran smoothly and lovely to catch up with Rowena Murphy too. Dr Chris Coyles was the perfect steward and such a great companion on our busy day, we were assisted by Anna Chrapala, who was learning the ropes so to speak she proved to be extremely helpful, and both were kindness itself to me and the cats. I have to confess I had my 'kind' hat on in some instances but for all the right reasons. Our lunch was very welcome and the lovely and very thoughtful gift is very much appreciated and will remind me of my time in Southern Ireland. I am indebted to Lyndon Steele for taking over my pet section, thanks Lyndon. Last but by no means least, to the exhibitors who came from far and wide to show their cats, thank you for giving me the opportunity to judge the many different breeds it was both a great experience and pleasure.

SECTION 2

HIBERNIAN GRAND CHAMPION

HIBERNIAN GC TO McCLELLANDS Int GrCh NOYNAROCK FIONN MAC CUILL (NFO ns 09 22) M (27.04.2017) Silver Classic Tabby & White. Mature looking Norwegian Forest boy with a good triangular head shape high open and well shaped ears, lovely eyes pale green and full of expression, looking right down his almost straight nose to give him the perfect outline to his strong profile nice even and tidy bite with a firm strong chin. An imposing body which is firm and muscular having firm well boned legs ending in well rounded furry feet. good length semi long haired quality double coat presented in very pleasing overall condition boy of good substance with a long back rising slightly to his longer back legs nice width to his shoulders, he handled well and was a pleasure to judge.

HIBERNIAN GRAND PREMIER

HIBERNIAN GP TO WAGNERS Sup GrPr SILVERFERN FRENCH KISS (MCO n 03 22) MN (22.03.2018) Brown Classic Tabby & White. At just over four and a half

years of age this boy is truly well grown with a long and muscular body sporting a fully plumed tail strong boning to limbs with large and furry paws he looks quite magnificent, beautifully prepared he stood out and was a dream to handle, showing an excellent tabby pattern with sparkling white, ears held high and are a lovely shape with tufts at the very tips cheek bones give the head width with a well formed nose of good length having a gentle curve at the nasal bridge to create the ideal profile with a square muzzle and firm chin, congratulations on becoming BEST IN SHOW well done to his proud owner.

GRAND 2C CHAMPION

GRAND TO STEINER-BROWNES Ch ISHCUS THYME TAOISEACH (MCO d 03 22) M (22.02.2020) Red Classic Tabby & White. A big and very solid boy with nicely positioned ears set quite high about one ears width apart and showing good flare with lynx like tufts at the very tips, almost round eyes a bright gold in colour slightly short profile with a wide nose broad square and very firm muzzle plus a deep chin, his coat has a bright red tabby pattern and shows up his white bib chest tummy and legs to great effect, long in the body and quite muscular with strong sturdy legs and well rounded furry feet and a long fully plumed tail, placid boy with a nice temperament.

AC BI-COLOUR OR MITTED RAGDOLL ADULT

CC & BOB TO CHRAPALAS RAGBEN LAND HELLEN (RAG n 03) F (07.04.2021) Seal Bi-Colour. Sweet girl just on eighteen months of age she tipped the scales to win this class with her darling facial expression and conforming to the standard for the breed. Nicely shaped head which has a flat plane and neat widely spaced ears showing the required slight forward tilt, well opened eyes a brilliant blue almost round in shape medium length nose with a gentle dip in profile, fullness to her muzzle and whisker pads are filling out along with her cheeks to give a rounded lower face, firm deep chin and level bite nice texture to her coat which is a good length and has the start of a ruff to frame her head, a nice white even inverted 'V' to her face with deep seal to her mask ears and tail, beautifully presented.

2nd CHRAPALAS RAGBEN LAND INESS (RAG n 04) F (08.04.2021) Seal Mitted. Shy girl with a gentle nature also eighteen months of age and maturing up really well of very good body size shape and weight she has quite a muscular feel to her with an equally long fully furnished tapering tail, Flat plane to the top of her head between slightly open but well placed ears brilliant blue eyes large and expressive in an oblique setting, nose is a medium length and has a

gentle dip in profile good rounding to her chin cheeks still to fully develop. A light seasonal glow over her back contrasting to her deep seal points with a pure white chin and neat white front mittens with white to the back legs still some brindling to clear on her tail a dear to handle.

3rd PHELANS ROYALTYRAGDOLLS LILY (RAG n 03) F (04.09.2021) Seal Bi-Colour. Almost fourteen months I like this little one a lot such a cutie pie but she has a lot of growing up to do as at the moment she looks very much like a kitten still. Head and body are quite compact her tail balances to the body length. Good head shape ears are well set just a little open and obvious with nice internal furnishings, deep blue eyes I would prefer larger for perfection, nice profile although it is rather short but does show the required retrouse tip and chin lines up, her cheeks are developing some width. Extremely good Bi-Colour pattern she has an even inverted white 'V' to her face silky soft baby coat very well groomed, shown in tip top condition.

NORWEGIAN FOREST ADULT

Considered for bob only

BOB McCLELLANDS Int GrCh NOYNAROCK FIONN MAC CUILL see above.

MAINE COON SILVER TABBY SERIES ADULT MALE

CC PAVLOVICS KARAKUM MICKEY (MCO ns 22) M (01.07.2021) Silver Classic Tabby. Head shows good balance being slightly longer than the width ears set high and flared with silvery furnishings, high set cheek bones and striking facial features which include an 'M' on his forehead and lines running back from the eyes which are full and round and oblique in set his muzzle is well formed and square with a deep chin, he does however need more substance and currently looks a little lean and lacking weight, his body is long and tail is a good length all covered in a pleasing black pattern on a light silver base, handled well.

2nd WAGNERS ISHCUS QUIET ASSASSIN (MCO ns 03 22) M (18.06.2019) Classic Silver Tabby & White. Almost three and a half years old a strapping and mature looking chap with a sizable body of very good weight and much substance long and supple with an equally long and flowing tail, ears are tall and open with long silvery furnishings the setting is about one ears width apart, eyes a tad on the small side but a good bright colour in profile his nose could be longer for perfection but the chin is strong and muzzle is firm and square nice boy to handle as he is so friendly.

MAINE COON SILVER TABBY SERIES ADULT FEMALE

CC & BOB BEZUTKINAS MIRACLECOON DIAMOND DREAM (MCO ds 22) F (05.02.2021) Red Silver Classic Tabby girl who I think could be a red shaded but have judged her as a classic, I could be wrong of course but food for thought. Lovely rectangular body shape on this young female she has proportionate limbs, the long full tail is very much a feature and almost reaches to her shoulders, the head is maturing nicely with excellent tall upright ears showing long tufts at the tips, bright pale green eyes full and round in an oblique setting, moderate length nose with a shallow curve at the bridge muzzle is square with a good chin, Coat is a good length and predominantly silver with red, a poppet to handle.

MAINE COON RED TABBY SERIES ADULT MALE

CC SWIACKAS BLACKJAGUAR WHISKEY (MCO d 23) M (18.05.2021) Red Mackerel Tabby. Coming up to eighteen months of age a big bonny boy of much substance me thinks he likes his food! Coming together very nicely in terms of body and head size all matching up with a medium length well ringed tail, his ears are held high and taper to the furry tips bright clear eyes well shaped and in a good setting, broad nose of uniform width having a good profile with deep chin and firm boxy muzzle, Super rich red tabby the mackerel pattern is very well defined on a semi long coat and is quite striking well presented and groomed to a high standard sweet natured.

Considered for bob only

STEINER-BROWNES CH ISHCUS THYME YAOISEACH see above

MAINE COON RED TABBY SERIES FEMALE

CC & BOB WAGNERS UNICUM TESLA (MCO g 03 22) F (03.12.2020) Blue Tortie Classic Tabby & White. This girl is blossoming into a really good example of the breed so full of class and quality her head has the width at her high set cheek bones with large well placed ears feathered and tufted at the tips, super expressive light green eyes and pleasing profile showing the correct concave curve to the nasal bridge, with ideal nose length her chin is adequate and muzzle is an ideal square shape, Long body of good muscle and boning with a well balanced tail, evenly patched coat shows tabby peeping through in places particularly very well defined on her head where she has a defined 'M' on her forehead, the white areas are bright and clean, a most attractive female.

AOC MAINE COON ADULT MALE

CC SOBANSKA/DcDONAGHS VIGO WALLANDER (MCO ds) M (05.05.2021) Red Smoke a very nervy boy who perhaps needs more handling to get him used to the show scene, but of good overall type just over eighteen months so a lot of maturing still to achieve but the basis are very much in place, ears are set high and are a good shape with nice silvery ears tufts, even width to nose and in profile he has a gentle curve to the nasal bridge complimented by a good chin and his muzzle shows strength and is square, not showing much smoke effect at present but the coat is a good length and has been well groomed.

AOC MAINE COON ADULT FEMALE

CC & BOB SOBANSKA/DcDONAGHS HANNA BLUE AURA (W 63) F (02.11.2021) Odd Eyed White. Beautifully presented and in sparkling condition with a pure white coat that left nothing wanting, it is difficult to appreciate the type on a solid coloured cat especially a white one, but looking past the one basic colour reveals at just a year old this girl has a charming and angelic expression still needing to fill out a little more but the head shape is good with high set ears well rounded odd eyes, she does have a slight taper down to a firm square muzzle and chin and all balances well with her body which is rectangular in shape and very feminine she stands well and has firm limbs, tail is long and flowing, of good bone, handled beautifully.

2nd WAGNERS KIYARAS YALLA (MCO f) F (30.06.2020) Dominant Tortie. This girl is very striking and ran the winner close in this class, very appealing with a lovely coat of super mixed colours really well mingled throughout her body right to the very tip of her tail, having a stylish head of medium length the breadth just slightly less, ears are a good shape standing pert and upright good eye colour just a little heavy on her brow, cheeks have width and muzzle is quite square, body of good size showing plenty of length with a proportionate fully plumed tail, another sweetie.

3rd SWIACKAS BLACKJAGUAR ZUMBA (MCO as 03) F (18.11.2021) Blue Smoke & White. Sweet youngster who was a delight to handle, just over eleven months and still very much a kitten in many ways and rather adolescent looking at present, her head needs to lengthen and muzzle is rather rounded, eyes are round and a good colour ears are fairly large and open and are nicely furnished, her body is developing and is a good length with a well balanced tail he does have good weight and beginning to get the substance required as she matures, lovely natured and friendly.

AC BI-COLOUR OR MITTED RAGDOLL KITTEN MALE

1ST & BOB LICZBERSKAS OROCOLATO HAITI (RAG n 03) M (02.05.2022) Seal Bi-Colour. Super six month old kitty, just having the better type between these two lovelies in this class. A very chunky and well built male having an excellent wide flat top of head and large blue eyes his ears are neat and set well apart separated by a true flat plane, good length to the nose with a gentle dip present, level bite and firm strong chin with the bonus of a fully rounded muzzle. Medium length body with a full bushy seal tail, lovely soft baby coat with white extending through tummy area and down the legs a white collar is just coming through nicely as his darkens on his back, the presentation is first class on this kitty well done.

2nd PHELANS MY EPIC BLAIR (RAG a 03) M (02.05.2022) Blue Bi-Colour. Another really lovely kitten same age as above, head of good overall length and lovely shapely blue eyes, nice wide flat plane with ears sitting well apart and fitting into the head contours nicely, though now needing to develop a little more breadth around the muzzle and cheeks just to complete the fullness required. Excellent bone and body size with well boned legs and well rounded paws, very clear body with no visible signs of white patching over his back as yet, neat and even inverted 'V' to his face with very pale clear blue to his mask ears and tail which is quite full and a good length, lovely chap.

AC BI-COLOUR OR MITTED RAGDOLL KITTEN FEMALE

1ST LICZBERSKAS OROCOLATO IRIS (RAG a 03) F (02.06.2022) Blue Bi-Colour. What a pretty female almost five months and in lovely condition she just glowed good health very friendly and just wanted a cuddle, feminine head shape but with good width to the flat plane separating the moderate and shapely ears just a tad open at base but showing a forward tilt, round eyes of a clear pleasing blue, she has a strong chin and level bite and plumping up nicely in the cheeks, a gentle dip to the profile. Body medium in size she carries good weight with a lengthy tail, well groomed baby soft coat, even white blaze to her face with pale blue to mask ears and tail, gentle soul nice to handle.

MAINE COON BROWN/BLUE TABBY/ TABBY & WHITE KITTEN

1st & BOB STEINER-BROWNES FRIENDLYGHOSTS BIG BEAR (MCO n 22) M (19.05.2022) Brown Classic Tabby. Handsome five month old having a shapely head showing good length to breadth ratio supporting his large upright ears which are set well apart feathered and tufted, oblique aperture and set to his well shaped eyes, high set cheek bones muzzle firming up to a good square

finish, long flowing tail lengthy body which carries good weight and muscle, nicely presented coat showing a clear black classic pattern on a warm brown background, temperament faultless.

MAINE COON SILVER TABBY SERIES KITTEN

1ST & BOB PAVLOVICS PANDORASPAWS BEBA (MCO ns 03 22) F (22.02.2022) Silver Tabby & White. Growing into a promising youngster just on eight months and already she shows a great deal of promise, lovely head type just typically longer than its width with large wide based ears which sit high on her head well opened showing tufting at the tips, nose of uniform width having an ideal profile showing a shallow concave curve at the nasal bridge, silky soft tabby patterned coat with snowy white areas, very well presented.

2nd WAGNERS FRIENDLYGHOST BASTET BELLATRIX (MCO ns 22) F (19.05.2022) Silver Classic Tabby. Very sweet facial expression on this five month old kitty the youngest in this class she has a super patterned coat black markings on a light silver base with very detailed markings to her face and a fully ringed long and flowing tail which matches the body for length, ears are large and taper to small tufts at the very tips, round well set eyes bright and full of mischief, uniform width to nose with a firm square muzzle and strong chin, so cute.

3rd PAVLOVICS PANDORASPAWS BONNIE (MCO ns 22) F (22.02.2022) Silver Classic Tabby. Another eight month old kitten again well developed and showing a long and developing body of good overall size and weight with an equally long fully ringed tail, the head shows a pleasing general shape with ears high set and well opened revealing long silvery furnishings, light green eyes are full and round and of slightly oblique aperture and set good profile with a deep chin and long whiskers, good coat for length and texture, well groomed.

4th SWIACKAS BLACKJAGUAR CUPCAKE (MCO as 22) F (24.03.2022) Blue Silver Classic Tabby. Seven months old she has a well structured body for her age rectangular in shape with a good length tail which is long and almost reaches to her shoulders, the pale pattern on the body is rather solid as is the tail but facially there is plenty of detail with bars on the legs, ears set high and open eyes are a good shape but look a little deep set, nose has a gentle curve in profile muzzle tapers in slightly, shown in great condition.

MAINE COON RED TABBY SERIES KITTEN

1ST & BOB WAGNERS FRIENDLYGHOST CHAIYYA CHAIYYA (MCO g 22) F (22.05.2022) Blue Tortie Classic Tabby. Super kitty of five months the more I

see of this girl the more I like, lovely upright ears giving her the required alert expression plus plenty of internal ears furnishings and lynx like tufts at the tips, nice head width and length nose curves to give a good outline in profile, eyes are round and expressive, muzzle square with a firm chin, super coat of a rich dilute tortie mixture, well mingled throughout the body head and tail, attractive girl.

AOC MAINE COON KITTEN MALE

1ST & BOB FRIZELLES FRIENDLYGHOST CASSINI (MCO d 03) MN (22.05.2022) Red & White. Five months old and already looking quite impressive a delightful chap with much to like about him, a bonny boy coming together with body and head matching up nicely, beautifully furnished ears of good size a tad wide set but very well furnished, eyes have a good oblique setting broad nose of uniform width in profile it is a little straight with a very slight curve to the bridge, but his high set cheek bones ensure he has just the right look of the breed, muzzle is firm and square, rectangular body with along tail that tapers to the tip, vivid red coat with pure white areas, well presented.

AOC MAINE COON KITTEN FEMALE

1ST SOBANSKA/McDONAGHS BLACKJAGUAR COCONUT (MCO ns 03) F (24.03.2022) Black Smoke & White. Gentle and friendly female of seven months I do think at present she needs to develop her cheeks to achieve the facial balance required eyes are a good colour but are on the small side, ears are open and high on her head with silvery furnishings, a weighty girl with good boning to her limbs and large paws, good length tail with a shapely lengthy body, her coat tends to lay flat tending to hide the black smoke effect, nice white blaze to her face with white to bib chest tummy and legs, cutie pie.

MAINE COON BROWN/BLUE TABBY/TABBY & WHITE NEUTER

PC TURNERS ISHCUS THYME FOR YOU (MCO n 03 22) Brown Classic Tabby & White. Huge well nourished lad I liked a lot, he has large well shaped ears wide at base pointed at their tips with long lynx like tufts set widely apart on a medium length head, round well set hazel eyes shallow curve to the nasal bridge having a deep chin, high set cheek bones with good width to muzzle which looks to be quite square, well muscled body of very good weight and substance with well boned legs and large furry paws, striking black pattern over his head boy and a fully ringed tail, delightful boy to handle and judge.
